VISIT CISD SCHOOLS — These 18 Cameron area residents and school officials pause for the camera prior to an afternoon visiting the five main buildings of the Cameron Independent School District system. Front, from left, are: Postmaster Narvie Caperton, Board member Lane Horstmann, Judge Don G. Humble, Mrs. Humble, Mrs. D. R. Dodson, Mrs. James

Kahler, Mrs. Coleman Duncum, and Board member Duncum. Second row, from left are: Board secretary and Chamber past-president Forrest Sapp, County School Supt. H. D. Maxwell, CISD Supt. D. R. Dodson, Emmet Carson and Rev. John Geier. Back row, from left, Board president Roy Law, Dr. W. R. Newton, Mr. David Echols, Rev. James Lafferty and Title I Administrator Dr. Herman Brown.

Group Takes

Tour Of District Schools

About 20 Cameron area residents and school district officials last Thursday toured Yoe and O. J. Thomas campuses to view improvements and prospects for others in Cameron District Schools.

Supt. D. R. Dodson, Dr. Herman Brown, Board President Roy Law, Secretary Forrest Sapp and Board public relations chairman Coleman Duncum joined in the five building tour.

Highlighting visits to the eight-grade system on Yoe Campus and O. J. Thomas School were demonstrations of some of the more than 150 electronic and visual aid training devices installed under the Title I program in Cameron District elementary schools.

DEMONSTRATIONS

Demonstrations of slide machines, record players and projectors were given in a Ben Milam classroom and special education classes headed by Mrs. Lois Gunn, Mrs. Dwight Moody and other assistants.

Dr. Brown showed the visitors rooms in Ben Milam School where supplies for grade students are kept and introduced the group to a special music appreciation class held on the Ben Milam Cafeteria stage because of lack of classroom space. Office space is also cramped for the program and numerous moves have been made to make room for administrative and teacher aides in the Administration offices at Ben Milam School.

The group also toured Ada Henderson School, second in age to 45-

year-old Yoe High School building, where demonstrations of classroom for remedial students were held, employing hearing and visual devices for students improving reading skills.

Officials showed Ada Henderson and Yoe High School libraries which are in need of hundreds of additional books and modern tables and other facilities.

And the group, led by Harrison McLerran, acting principal of YHS visited the new language lab, half of which was donated by Dr. W. R. Newton last year, and the recently installed science lab (see picture). The school's PA system in the classrooms also was donated by Dr. Newton last year.

Also visited was Yoe Gymnasium where the floor has been resanded and refinished.

O. J. THOMAS

O. J. Thomas also had a special education class going. Classroom space was adequate except for installation of a typing classroom in part of the school's cafeteria.

Back at Yoe Campus, dozens of new aluminum window units costing about \$6,000 have been installed on the south and north sides of Ada Henderson and Yoe High School. Contrast was evident of a few classrooms of new chairs compared to the more numerous classrooms of older equipment.

Classroom space seemed to be

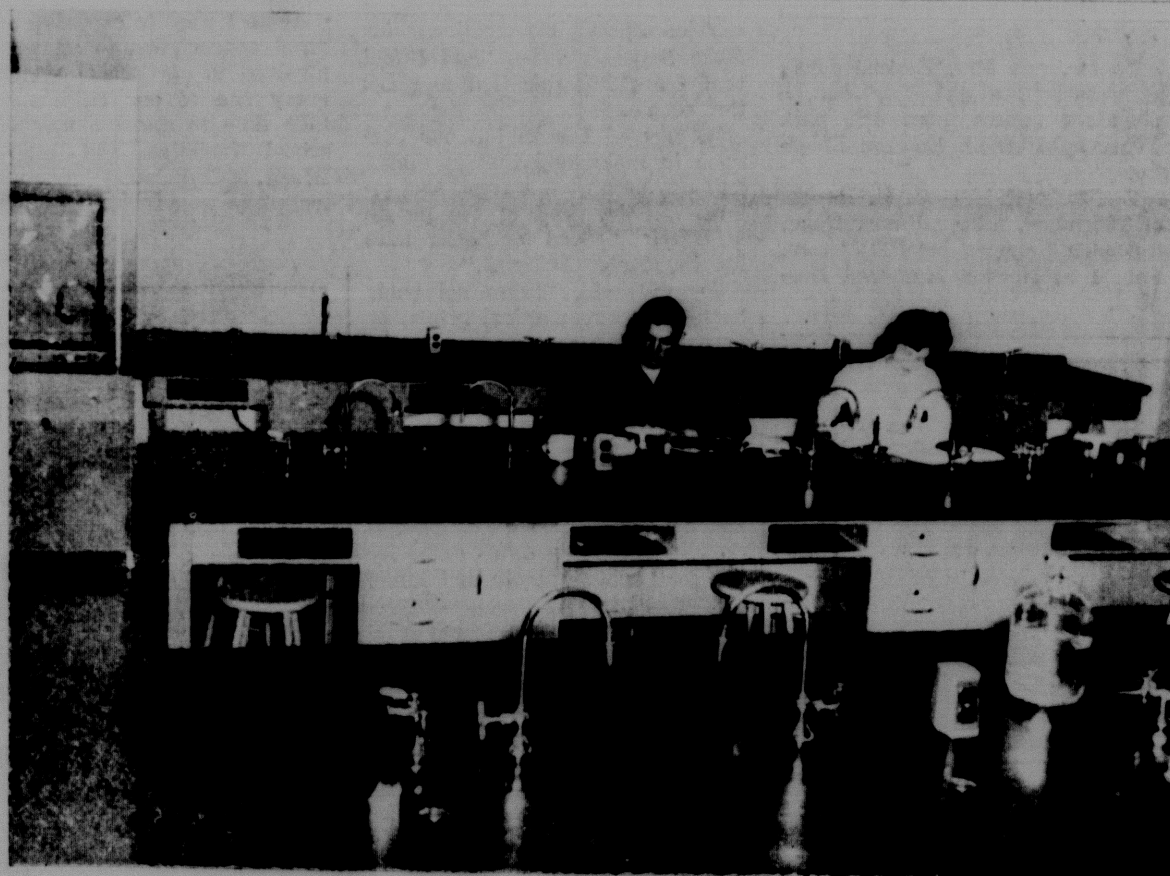

a problem in Ada Henderson where the special education class had been out in where the tax office once was. Space in the old Yoe High School Gymnasium was empty, but in need of work to be usable for classroom space, one school official pointed out.

The Title I program has enabled the Cameron District to acquire 30 record players, 100 manual viewers, seven tape recorders, 20 eight-piece sets of earphones (which plug into the record players or tape machines), four electric viewmasters, three televisions, two 16-mm loop movie machines and four daylight movie projectors as well as nine overhead projectors six remote-control strip projectors among hundreds of items for reading and learning.

AIDES SALARIES

About half of the \$113,000 plus Title I budget goes for 32 teacher aide salaries. Employed only in the first eight grades, the teacher aides assist regular teachers in numerous ways to allow more classroom time for the teacher, officials said.

It was an enlightening two-hour tour, one that every Cameron School District patron should take.

NEW SCIENCE LAB — School visitors see this new science lab in Yoe High School, newly opened for operation and replacing original 45-year-old facilities. Students Tommy Barton and Frances Ruzicka do some homework here. The

lab enables up to 30 students to work experiments at one time. Visitors see another new installation, a language lab, on Yoe High School's main floor, put in last year.

School Views Site Drops \$75 Tuition

Schiller Predicts Short Session In Registration Call

The Texas Legislature, "barring the unforeseen," will be in special session only six or eight days, State Rep. Milton Schiller reported to The Herald from Austin this week.

Governor Connally has called the Special Session to consider a new voter registration law following a federal court's dismissing the state poll tax as an unconstitutional voting procedure. An appeal has been filed with the U. S. Supreme Court.

Rep. Gene Fonten of Taylor introduced a "Bill for Annual Registration" during the first session Monday, which, if enacted by the Legislature, would only be effective if the Supreme Court upholds the Federal District Court ruling, Rep. Schiller said.

The Bill had more than 20 signatures at the time of Schiller's report.

Schiller introduced a House Simple Resolution Monday at the opening session to clear way for payment of expenses of the special session. He is chairman of the House Contingent Expenses committee.

The Cameron School Board has authorized a three-man committee to negotiate for some property adjacent to the Yoe Campus and has dropped tuition charges to neighboring districts.

The Board also "accepted with regret" the resignation of Dr. Herman Brown, Title I supervisor and elementary principal, effective August 31. He will join the staff of the Agriculture Education Department at Texas A&M University as associate professor under Dr. Earl Knebel, former Cameron superintendent. Dr. Knebel heads the Department.

Forrest Sapp, Lane Horstmann and Coleman Duncum will act as a committee to contact owners of the Beskin property, near the school, for the possibility of buying it for future school purposes.

And the Board voted to eliminate semester tuition charges of \$75 per student to adjacent districts which have been sending students into the Cameron District.

The Board also authorized re-

moval of 13 entries for taxes on the 1965 district tax roll totaling \$54,433.

Board President Roy Law and Secretary Sapp were authorized to sign releases on depository bonds held by the District in both Cameron banks.

The Board also employed Alvis Fuqua, presently principal of Dimmitt High School, to assume YHS principal's duties in August. He was given a two-year contract beginning August 1.

Election of other principals has been deferred until 7 p.m. February 24, Board officials reported.

Also approved:

Filing of Mrs. Nancy Moehring to succeed Mrs. Lois Gunn, new Title I reading specialist; and Jack D. Ruzicka to succeed Robert Maler, new Title I audio-visual aids director.

And the revised maintenance schedule revamping the system for building maintenance in the School District.

Chamber Directors Elect Fuchs Pres., Henderson 1st VP

Monroe H. Fuchs was elected president of the Cameron Chamber of Commerce for the 1966-67 Chamber year at the Board of Directors meeting Monday. He will be installed at the annual Chamber banquet in March.

Fuchs, a partner in Ideal Poultry Breeding Farms, Inc., Cameron, has served as a Chamber vice president for the past two years.

John B. Henderson Jr. was named First Vice President and Eugene Smitherman, Second Vice President.

Chamber directors for the coming year will be: Lane Horstmann, Frank Luecke, Drayton McLane Jr., Rev. Richard Freeman, N. L. Caperton, Henry Siebman, Don G. Humble, Ed Laywell, Robert Wells, James Camp, Miss Mildred Thornton, Herman Hanel, LeVert McKinney, Lloyd Adams, Dana Kestenbaum, Henry Litzmann, Albert McCullin Jr., E. A. Perrin, Richard Williams, William Watkins, Allen Dodson, Fuchs, Henderson and Smitherman.

Milam Guard Unit Wins Top Rating

ARMORY SITE FOR MARCH 7 SYMPHONY HERE

Cook Hearing Set Feb. 28 In Marlin

UNIT PLANNING OPEN HOUSE AT LOCAL ARMORY

Cameron National Guard Armory will be the setting for the March 7 appearance of the 50-piece Central Texas Symphony Orchestra, first to appear in Cameron for perhaps 40 years.

Three Arts Club of Cameron is the sponsoring organization which is making tickets available for the one-hour concert committee. Mrs. Robert Ellett, club president said.

Reserved seats will be available at adult and student prices.

Dr. James T. Luck, orchestra conductor, said the program will include highlights from musical and classical selections.

Rodgers and Hammerstein's overture from "Sound of Music" will be a highlight of the first half of the program. Giannini's three-part Symphony No. 2 will close the presentation.

Program will begin at 8 p.m. Monday, March 7. A reception for the orchestra is being planned following the concert. Members of the Con-Tex Symphony Board also will be invited to the program.

The murder conviction and death sentence of Oscar Cook, about 23, of Rogers, will take on new dimension in a post-conviction sanity hearing Monday, Feb. 28, in Marlin.

Texas did not administer the death penalty during 1965.

Dist. County Atty. John B. Henderson Jr., told The Herald that a mandate of the Texas Court of Criminal Appeals this Monday directed the Marlin District Court Judge to carry out the judgment of the trial court.

Cook was found guilty of murdering his mother-in-law in a shooting at his estranged wife's family home in Davilla. He also shot three other members of the family and wounded himself. And Cook was sentenced to death following the jury trial Jan. 29, 1964.

But defense attorneys have gained the post-conviction sanity hearing Feb. 28 before a jury. Defending Cook throughout the case and appeal have been Marlin attorneys Charles Reagan, Jack Welch and Robert D. Peterson.

Appeal of a death penalty conviction is automatic, Henderson

said. And the mandate of the Court of Criminal Appeals this week followed two years awaiting review by the higher court.

Representing the State will be Falls County Atty. Tom Bartlett and Henderson. The case was recommended for trial to the Falls County District Court after efforts to empanel a jury in Milam's 20th District Court failed.

Henderson said no capital cases were executed in Huntsville's death house during 1965. And only six men were electrocuted during the previous year.

BOARD EMPLOYS DHS PRINCIPAL

FOR FALL HERE

Board members of the Cameron Independent School District have employed Alvis Fuqua, 42, presently principal of Dimmitt High School, as principal for Yoe High School beginning August 1.

He will succeed Harrison McLerran, this year acting Yoe High School principal, since Frank Kemble became superintendent of the Thorndale Schools last fall.

A native of Mount Vernon, Texas, Fuqua holds a master's in education from East Texas State College. He has been principal at Dimmitt High School since 1953.

His teaching experience began following earning a bachelor of science degree from East Texas State in 1949. He was a teacher and coach in successive years at Winfield High School, Stanton High School and Seagraves High School until he moved to Dimmitt where he was a teacher and coach for seven years prior to becoming high school principal.

Mr. and Mrs. Fuqua, also a teacher for about 15 years, have one son, 2. She taught in Seagraves, Tulsa and Dimmitt school systems.

Fuqua is a veteran of World War II, serving in the U.S. Air Force in Southeast Asia during part of his three-year tour of duty. He was born in Mount Vernon.

County Pair Charged In Rockdale Theft

Freddie Lee Williams and Curtis Johnson of Rockdale are in Milam County Jail this week charged with theft.

Milam County Sheriff Carl Black arrested the two young men in connection with the theft of several pistols January 8 from the B. Ashley Store in Rockdale.

E. A surprise visit by Lt. Col. Olin F. Brewster of Temple has brought Cameron's Company C an overall rating of superior for 1965 training.

The unit's training schedule was interrupted Sunday morning during Platoon Army Training Test at Ford Hood.

Capt. Joe Willingham, commanding officer of Company C, part of the Third Battalion commanded by Col. Brewster, was ordered by radio to muster his company for a head count.

But Col. Brewster arrived with a Superior Rating Certificate from the National Guard Bureau, Washington, D.C.

It was a timely award since the Company C will hold open house Saturday at Cameron National Guard Armory, marking the celebration of Washington's Birthday.

The Certificate will be on display at the Armory during the 1 to 4 p.m. Washington Birthday Open House.

In his presentation, Col. Brewster read:

"Department of the Army and the Air Force, National Guard Bureau, Superior Unit Award presented to Co. C, Third Battalion, 11 Armor, 40th Armored Division, Texas Army National Guard, for an Overall Rating of Superior during training year 1965. Signed: Winston P. Wilson, Major General, Chief, National Guard Bureau."

Following the presentation, Col. Brewster congratulated the Cameron-based unit, And Major James P. Smith, Battalion Army advisor, and other members of the battalion staff.

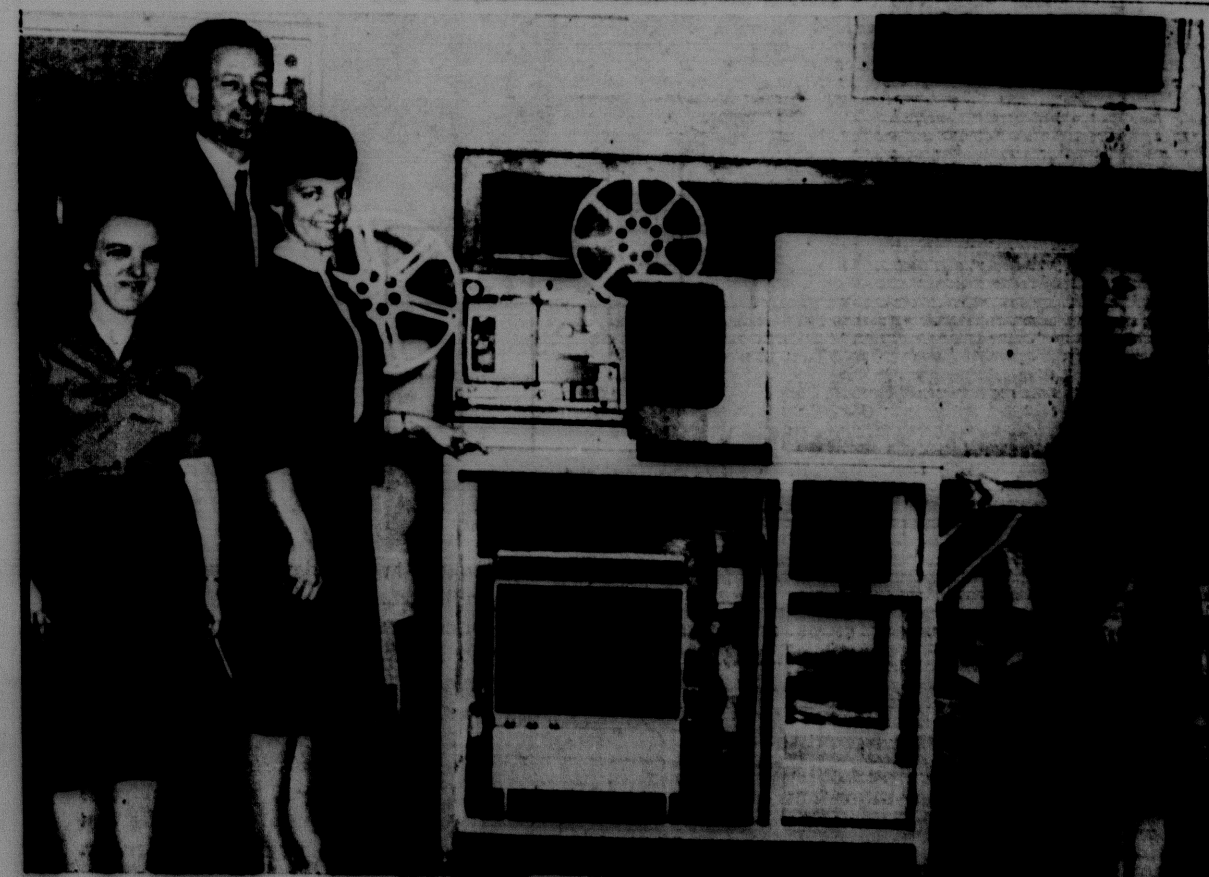

Rockdale Man Files For GOP Chairman

James E. Luckey, Milam County Republican Party Vice Chairman, said Wednesday that Jay M. Jones of Rockdale filed last week as a candidate for County Chairman in the GOP primary to be held May 7.

Luckey said the Republican Party would have no candidates this year for county offices, but would have practically a full slate of candidates for state-wide office, and the Party would concentrate on a campaign to re-elect U.S. Senator John Tower.

Jones, an engineer, resides at 2109 Alcoa in Rockdale. He has been active in the Milam GOP for several years.

Dr. E. O. Smith Jr., present County Chairman, recently moved to Houston and will not seek reelection to the post which he has held since the local GOP organization was launched in 1962.

PROJECTION EQUIPMENT — Dr. Brown and three teacher aides, from left, Miss Kay Cox, Mrs. Grady Allen and Mrs. Wayne Mann, point out examples of new film and viewer equipment obtained under Title I funds. The

CISD system has four of the large daylight movie projectors and two of the 16-mm loop movie viewers, below. These are examples of some 25 projectors and large viewers or TV's installed in the Cameron system during the past four months.

The Very Rev. John M. Nugent, O.P., P.G.

Dominican Father To Preach Local Parish Mission

The Very Rev. John M. Nugent, O.P., P.G., will lead a Parish Mission at St. Monica's Catholic Church from February 20 through 25. The Rev. John Geiser said services which are open to the public would be held at 8 p.m. and 7:30 p.m. each day.

Father Nugent, who presently re-

MFB Sponsors Cotton Meeting

A county-wide cotton meeting sponsored by the Milam County Farm Bureau will be held at 7:30 p.m. Thursday, Feb. 24, in the Agriculture Building at Yoe High School.

A team from Texas A&M University headed by Fred C. Elliott, Cotton Specialist, will present the program. A complete outline from preparation of the soil for planting until the product is harvested will be given, along with color slides to illustrate each step.

V. L. Angell, president of the Milam Farm Bureau, said the program should be beneficial to anyone interested in growing cotton. He also announced that refreshments would be served following the program.

• Sharp

By Mrs. W. Schwarz

Word was received Sunday of the death of Tony Lindhorst of Austin, a brother of B. B. Lindhorst. Funeral services were Tuesday afternoon and burial was in the Sharp Cemetery.

Mr. and Mrs. J. D. Pope spent the weekend with their son John Dewey, wife and baby of Austin.

Mrs. Arthur Innes and daughter Fatsy of Buckholts were Sunday guests of her parents, Mr. and Mrs. George Schroeder.

Linda Coffman of Dallas was home for the weekend.

Mr. and Mrs. Jim Coffman and daughter of Taylor were Saturday night guests of the Howard Coffmans.

Vivian Mitcham and son of Irving Odell and son of Buckholts were Sunday visitors with their mother.

Mr. and Mrs. Louis Rinn of Rockdale spent a while Sunday with their mother, Mrs. Max Rinn, and sister Agnes.

Spe. Clyde Caffey of Fort Polk, La., has his discharge from Uncle Sam and is home with his parents.

Mr. and Mrs. Lenza Caffey and Clyde were Sunday dinner guests of Mrs. Mammye Duncan of Rockdale.

Mr. and Mrs. Clyde Aldridge of San Antonio spent last week with Mrs. Eliza Davis and were also bedside guests of his brother Claud who is a patient in the Veterans Hospital, Marlin.

Lewis Modessette was in Marlin Monday where he consulted an eye specialist. He had minor surgery.

Amos Davis and son of San Antonio visited Sunday with his sister, Mrs. Ethel McBurnett, and niece Mrs. Wavy Charles.

Mr. and Mrs. Bill Brown and boys of Belton spent Sunday with Mr. and Mrs. Charles Duncan and Mr. and Mrs. E. C. Brown.

Mr. and Mrs. Jerry Nabours, Mr. and Mrs. Roy Green were in Temple Sunday afternoon visiting with the Roy Armstrongs and the Clyde Lawsons.

Jackson Asks Election As Representative

Fred J. Jackson is offering his services for the office of State Representative, District 27, in the Democratic Primary, because of the many requests from friends of Milam, Robertson and Falls Counties who have offered their loyal support.

Jackson has lived in Milam County for over 45 years where he has been engaged in business most of the time.

He graduated from high school in 1924, later studied law for two years. He received a certificate for higher accounting from the University of Texas. Jackson is also a graduate of Dallas School of Embalming and passed the State Board of Embalming in 1946. He also operated and owned a variety store in Rosebud and owned and operated a cattle auction in Franklin.

He married the former Alice Lawrence in 1925. They have two sons and one daughter and six grandchildren. In 1941 he entered the Armed Services and served at the same time with his oldest son, Fred. Later his daughter and youngest son joined them in the Armed Services.

Jackson was elected twice to the City Council of Cameron. He is a member of the Presbyterian Church and presently is engaged in farming and ranching at his home in Maysfield which is halfway between Hearne and Cameron.

"I have been interested in politics for many years," Jackson said in offering his candidacy for State Representative, "and I feel that I am well qualified to serve the people."

"If elected I have but one promise to make and that is that I will devote my full time and efforts for the good of the people of District 27 and for better laws for the State of Texas."

Jackson said, "I am not being backed by any political group, or corporation, therefore I will be available at any time to help the people of Milam, Falls and Robertson Counties and all the people of the State of Texas."

"There are several bills to be brought before the House in 1966 and 1967 which need careful thought and study so as to be for the good of the people and I feel that with my past experience I can be of great help to my constituents in getting some of these bills passed."

Jackson said he would be glad to talk to any person or group who is interested in better government and a better State.

"It may be impossible to see everyone personally, but I will make every effort to do so. I want to take this opportunity to ask for your vote and support on May 7 and also to thank my many friends who have offered their loyal support, both personal and financial," he stated.

Jackson plans an active campaign and pledges that he will run for State Representative, District 27, in accordance with the dignity of the office.

New Social Security Law Affects Low Income Farmers

Most low-income farmers in the seven-county area served by your Temple social security office will be affected by one change made this year in the 1965 amendments to the social security law. This is a change in the optional method of reporting of farm income for social security purposes. The gross amount of income on which the optional method of reporting can be used is changed from \$1,800 to \$2,400 beginning next year.

This means that the amount of net earnings from farm self-employment that can be reported by farmers under the option can be as much as \$1,600 beginning in 1966. Previously, a farmer could report no more than \$1,200 a year

under this provision. Of course, if the farmer has actual net earnings of over \$1,200 or over \$1,600 beginning next year, the actual net earnings amount must be reported and the option is not available to these farmers.

Under this new provision, if a farmer's gross income is over \$2,400 and his actual farm net earnings are less than \$1,600 during a taxable year, he may elect to report his actual net earnings or \$1,600. If a farmer has gross income of \$2,400 or less in a year, he may report either his actual net earnings, or two-thirds of his gross farm income for social security purposes.

This optional method of reporting farm self-employment income has many advantages to the farmer. First, his own monthly benefit, and that of his wife and children, will be higher when he retires at or after age 62. If he becomes disabled, his monthly benefits will be more. If he dies, at any age, the total monthly benefits payable to his widow, children, and parents will be higher. Too, sometimes it could mean the difference between getting benefits for himself and his family, and not getting benefits, because a certain amount of work on social security jobs is necessary to be insured under the social security law.

If a farmer is now getting monthly social security benefits and he reports under the new optional method and as a result, his earnings amount to more than \$1,200 in 1965 or before, or more than \$1,500 in 1966 and later, he may not get all of his benefits for the year because of the retirement test limitation, which was explained in my last article.

As before this 1965 change in the law, the optional method may be used by farmers and ranchers one year, and not the next. Or it may not be used one year, and then used the next year. However, if it is used in a particular year, it must be used for all farm earnings for the year. It can't be used for just one farm operation and not on the other farm operation. It will increase or decrease the net earnings from other businesses, depending on how it is used.

If you would like to have a free leaflet explaining this and the other changes in the social security law this year, write, visit, or telephone your Temple social security district office and ask for Leaflet Number 1. Our address is 210 West Central Avenue, telephone PR8pect 8-1861.

Hours were longer in summer than in winter as measured by primitive sun-clocks.

Mr. Frank Luecke
Cameron Herald
Cameron, Texas

Dear Mr. Luecke:

Last Thursday, February 10th, I had the privilege, along with several others, to tour the facilities of our Cameron School System. Later that night I attended the Board of Education meeting in the Superintendent's office.

I just want to take this opportunity to express my personal appreciation to the Board of Education, the Administrative staff and the faculty of all four of our schools. In my estimation they are all doing a fine job of using the available resources to instruct the children of our community.

The equipment acquired, improvements made to facilities and advances in teaching techniques over the last few months are a credit to the people in our school system.

The meeting of the Board of Education on Thursday, February 10th, was one of the most democratic meetings I have had the privilege to attend. These men are giving unselfishly of their time and efforts to make our school system the very best possible. Incidentally, I left the meeting at 10:30 p.m., after three hours of business and discussion had been conducted by the board, and they still had more work to do that night.

Again I want to express my personal appreciation to all who are involved in our school system. If every one of our citizens would take time to make a tour of our school facilities and attend a Board of Education meeting, I feel they would share my views.

Sincerely,
J. E. Lafferty

YOUR SERVICEMAN

USS ELDORADO
Bontswain's Mate Second Class
Lester J. McCulloch, USN, son of Mr. Henry L. McCulloch of 1309 N. Travis, Cameron, has completed a goodwill visit to Bangkok, Thailand, while serving as a crew member aboard the amphibious force flagship USS Eldorado, now back at Subic Bay, the Philippines.

The Eldorado's visit was designed to promote goodwill and further friendly relations between the United States and Thailand. The visit also familiarized the crew with the waters in which they cruise, and with the customs and cultures of the people of Thailand.

FORT WORTH
Charles R. Gadison, son of Mr. and Mrs. Earl Gadison of Rockdale, has been promoted to airman second class in the U.S. Air Force.

Airman Gadison is an air policeman at Carswell AFB, Tex. He is a member of the Strategic Air Command, America's long range nuclear bomber and missile force.

The airman is a graduate of Aycock High School.

FAYETTEVILLE, N.C.
Billy L. Hawkes, son of Mr. and Mrs. Stanley Vaculin of 1705 N. Harding, Cameron, has been promoted to airman second class in the U.S. Air Force.

Airman Hawkes is an administrative specialist at Pope AFB, N.C. He is a member of the Tactical Air Command which provides battlefield firepower, precision jet photo reconnaissance and air mobility for the nation's ground forces.

The airman, a graduate of Yoe High School, attended Durham Business College, Austin.

Perry D. Harbour, son of Mr. and Mrs. B. F. Harbour of Rogers, has been promoted in the Air Force Reserve in Amarillo from Airman Basic to Airman and Class.

What's the best 5-letter word for fertilizer?

And for wheat — NIPAK 45.

Get better wheat crops and earn bigger profits. Topdress your wheat with Nipak 45 right now — for greater yield and higher protein. Nipak 45 — 45% nitrogen fertilizer from Urea — gives you one-third more nitrogen per pound than any other form of solid nitrogen fertilizer — which enables you to handle less fertilizer and cover

more ground in less time. Nipak 45 is uniformly prilled, too. It flows easily, won't cake, clog — or corrode your equipment. Nipak also dissolves in the soil moisture and moves quickly to the root zone where it stays put until your crops need it. So for more grow power, ask your local Nipak dealer about Nipak 45. He can help you plan a complete fertilizer program because he can provide a complete fertilizer service.

W. B. Cain, et al., to Lee Roy Coffey, et al., for \$57,750 consideration; 2 tracts of land out of the Harrison Owen Survey, Williamson County.

Mildred Lanier, et al., to Glenn F. White, et al., for \$5,500 consideration; parcel of land out of the M. M. Valdez Survey, Miami County.

Cleo Logan Butts, et al., to Glenn F. White, et al., for \$10 and other consideration; parcel of land out of the Levi Taylor League, Miami County.

Carroll White, et al., to Glenn F. White, et al., for \$5,500 consideration; parcel of land out of the M. M. Valdez Survey, Miami County.

John Franklin Mesley, et al., to Johnnie A. Kleck, et al., for \$10 and other consideration; Lot 9, Roy Barrow Subdivision, Cameron.

OFFICIAL PROCLAMATION

NATIONAL ENGINEERS' WEEK FEBRUARY 20-26 1966

Whereas, engineering, through the ages from a time predating the building of the great pyramids, has been a creative resource for progress; and

Whereas, in a modern civilization with its many complex needs could not exist without engineers; and

Whereas, NATIONAL ENGINEERS' WEEK will be observed in the City of Cameron by appropriate displays and activities; and

Whereas, it is fitting to honor the Engineering Profession at a time when we celebrate the birthday of George Washington, who, besides being a leader in building our democratic and religious institutions, was also notable as an engineer, now

Therefore, I, Bassel Wilson, Mayor of the City of Cameron, do hereby proclaim the week of February 20th to 26th as NATIONAL ENGINEERS' WEEK and call upon the people to give proper recognition and honor to the Engineers of our communities, our State and our Nation.

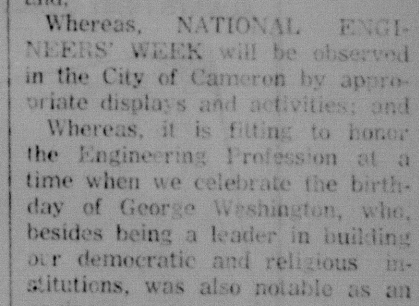

Signed this 16th day of February, 1966.

Bassel Wilson
Mayor, City of Cameron, Texas

THE LONELY HEART

Titmice in England have learned to open milk bottles.

The Texas Department of Public Safety was established in 1935.

YOUR SERVICEMAN

FORT WORTH
Technical Sergeant Santos R. Sandoval, son of Mr. and Mrs. Joe Matamoros of 700 E. Ellis, Cameron, has been awarded the U.S. Air Force Commendation Medal at Carswell AFB, Tex.

Sgt. Sandoval received the medal for meritorious achievement at Elmendorf AFB, Alaska. He was cited for his abilities which

enabled the air freight terminal to handle some 210 million pounds of cargo with no loading or unloading delays.

The sergeant is an air transportation supervisor in the Strategic Air Command which maintains America's constantly alert force of intercontinental missiles and jet bombers.

Sgt. Sandoval is a graduate of Rogers High School.

His wife, Dolores, is the daughter of Mr. and Mrs. Raymond Elizondo of Rt. 2, Rogers.

At least 23 Texas streams are known as Indian Creek.

POLITICAL ANNOUNCEMENT

The Cameron Herald is authorized to announce the following candidates for the office named, subject to the action of the May, 1966 Democratic primaries.

For Congressman, 11th Congressional District.
W. R. (Bob) Poage
(Re-election)

For State Senator, Milam - Bell-McLennan Counties
Murray Watson
(Re-election)

For State Representative, District 27
Milton J. Schiller
(Re-election)
Fred J. Jackson
Louis Patke
For Treasurer, Milam County
Charlie J. (Bubba) Maddox
Mrs. Mary W. O. Harper

For Milam County Judge
Don G. Humble
(Re-election)

For Milam County Clerk
Wayne B. Wieser
(Re-election)

For Milam County School Superintendent
H. D. Maxwell
(Re-election)

For Commissioner Precinct 2
LaVert (Bert) McKinney
(Re-election)

SAN ANTONIO

Airman Carrell E. McIntosh, son of Mr. and Mrs. Bufford E.

McIntosh of Rt. 1, Rosebud, has been selected for technical training at Chanute AFB, Ill., as a U.S. Air Force aircraft weapons systems specialist.

Airman McIntosh recently completed basic training at Lackland AFB, Tex. His new school is part of the Air Training Command which conducts hundreds of specialized courses to provide technically-trained personnel for the nation's aerospace force.

The airman is a 1964 graduate of Rosebud High School.

Eplen's Establishes Thirteen Game Lead In Sunshine League

Sunshine Bowling League standings for the week of February 7 have Eplen's Furniture in first place with a 59-29 league record. They have established a thirteen game lead over New Cameron Drug who has a 46-42 record. Milam Grain Co. and Irene's Embroidery have identical records of 44 won and 44 lost.

High team three-game series for the week had Eplen's Furniture in first with a 2496 series. First National Bank had a 2395 series and New Cameron Drug a 2332.

High team game bowled was an 854 by First National Bank and three pins behind was Eplen's Furniture with 851. Irene's Embroidery had an 819 for third place honors.

High Individual three game series went to Annette Hillman of Irene's Embroidery with a 496 (scratch). Barbara Kimbrel of Falstaff's had a 496 and Maxine Fial of Eplen's Furniture a 459.

TEAM STANDINGS:

TEAM	W	L
Eplen's Furniture	59	29
New Cameron Drug	46	42
Milam Grain Company	44	44
Irene's Embroidery	44	44
First National Bank	43	45

Falstaff	38	50
Citizens National Bank	36	52

IMPROVED RAMROD

Any sportsman who has done much hunting has been caught in the woods when he needed a ramrod and didn't have any.

You can make an improvised ramrod by cutting a straight psalting about 18 inches longer than your gun barrel. Whittle this down until it's slim enough to run through the bore. Then split one end and insert a piece of rag, such as a handkerchief, to serve as a swab.

Coaches Release Track Schedule For New Season

The 1966 Yoe High School track schedule was announced last week by Head Football Coach George Kirk. Track is being handled this year by all the coaches working with the boys in different events.

The first meet for the Yoemen will be on March 4 at Blinn College in Brenham. There will be a meet each week for 6 weeks leading up to the 17-AA district meet in Rockdale on April 15.

A four meet schedule for the "B" team was released also and they will compete on March 11 in Georgetown.

1966 Yoe Track Schedule:
March 4 Blinn (Brenham)
March 12 Taylor
March 19 Midway (Waco)
March 26 Rockdale or Marlin
April 2 Cameron Relays
April 7 Killeen
April 15 Rockdale (District 17-AA Meet)

"B" Team
March 11 Georgetown
March 18 Taylor
March 25 Cameron
April 1 Rockdale

ROGERS NOTES

Word has been received in Rogers that Rev. Edmund Lacy, former pastor of the First Baptist Church, was badly injured recently in a gasoline explosion just outside his apartment at Urbana, Ill. He is a patient at Carle Clinic in Urbana. The Lacy's lived here from 1956 to 1963. He is presently working on his Ph.D. degree at the University of Illinois.

Mrs. Janice Jackson, R.N., has been employed as a full-time nurse for the Rogers Public Schools under the Title I program. She will begin work March 1, 1966.

Mrs. Jackson is a 1957 graduate of Scott and White School of Nursing and has been employed there since that time.

Supt. B. F. Harbour said the school is still to employ a visiting teacher (or home counselor), a developmental reading teacher and an elementary librarian under the Title I program.

Miss Gresak Wins Buckholts Honors

Buckholts' 1966 Betty Crocker Homemaker of Tomorrow is Sandra Anne Gresak. She scored highest in a written knowledge and attitude examination taken by senior girls Dec. 7, 1965, and is now eligible for state and national scholarship awards. Sandra has already earned a special award pin from the program's sponsor, General Mills.

BIRTHS

To Mr. and Mrs. T. G. Hill of Buckholts, a boy, Travis Earl, 8 pounds 4 ounces, born 7:30 a.m. at Newton Memorial Hospital.

To Mr. and Mrs. Ralph Franklin Billings, Lexington, a girl, Paula Michelle, 8 pounds 2 ounces, born 7:20 a.m. Feb. 8 at Newton

TOP TEXAN — Beautiful and talented Dale Evans, Queen of the Cowgirls and a world-renowned philanthropist, displays the Texas Press Association's most coveted plaque — The Texan of the Year Award. Miss Evans is the first woman to be named Texan of the Year. Four other native-born Texans have been similarly honored. Awards during previous years went to Paul Richards, Van Cliburn, Dan Blocker, and C. B. "Tex" Thornton. Pictured with her at the honor banquet in San Antonio is her famous husband, Roy Rogers, King of the Cowboys. Miss Evans received the plaque from TPA President Winn Crossley, publisher of the Madisonville Meteor, at the closing event of a two-day TPA Mid-Winter Convention.

Yoemen Stomp Rattlers 63-54 In Final Game Of '65-'66 Season

By Eddie Huntsman

The Cameron Yoemen won the last game of the season by beating the Navasota Rattlers at Yoe Gym last Friday 63-54. This gave the Yoemen a 5-3 district record, one of the best finishes for the Yoemen in a good while.

Coach Elliot, head basketball coach, loses only 2 senior starters this year, Mack McKinney and James Vogelsang, so basketball in the blue chips has a good chance for returning to Yoe High next year after a long absence.

In the Navasota game James Vogelsang was high point man with 25 points, including 13 for 14 free throws. Wayne Kirk was next with 10 points, followed closely by Don Mitchell with 9.

The Yoemen hit a respectable 37 per cent the first half and had some good rebounding the entire game.

Navasota was led by McDaniels

WATCH A DUCK'S HEAD

Stalking ducks on ponds and farm tanks is a popular Texas sport. However, ducks are wary critters and you must be careful and sly when creeping up on them. Otherwise they'll flush prematurely.

There is one sure way for you to determine when's the last minute to rise and shoot.

A duck—when it's ready to "take off"—will jerk its head rapidly back and forth.

'B' GAME

The Cameron Yoemen "B" team closed their season last Friday night with a win over the Navasota "B" team 49-42. The Yoemen hit 29 per cent both halves and Charles Maddox's 18 points contributed to a very good game and a fine finish to the '65-'66 season.

A full court press skunked the Yoemen for a few minutes, but after they learned they could maneuver around it, Navasota went back to a zone press. Charles Maddox was high point man for the Yoemen and was followed by Jim Lester with 10 points.

The Rattlers were led by Busse with 12 points and Davis with 8. Sanchez scored 7 for third high point honors.

Louis Patke Announces For State Legislature

To The Citizens
Of District No. 27

Louis Patke, 33 year old son of the late Henry Patke and Mrs. Henry Patke from Marlin, has au-

thorized this paper to announce that he is a candidate for the office of State Representative District 27 (Falls, Milam and Robertson Counties). He was born near Marlin in Falls County.

My decision to run for the office of State Representative wasn't a decision that I made overnight but has taken a lifetime of preparation. My grandparents and parents came to America from Europe in the late 1880's. They knew oppression, seizure of their property, discrimination and loss of religious freedom. I have learned from my parents firsthand what it means to enjoy the freedoms that we have in America. I believe that it is everyone's responsibility to guard these freedoms. Call it whatever you may, a calling, a strong urge, a feeling of dedication, I intended to do just a little bit more.

I attended Marlin High School and volunteered for the Navy and served four years during the Korean war. After I was discharged I worked for Cameron Iron Work

Telephone Company Signs Agreement To Up Worker Earnings

A new wage agreement representing an annual cost of \$11,327,000 was signed recently by Southwestern Bell Telephone Company and District 6, Communications Workers of America. The agreement was effective as of February 6.

A company spokesman said the new agreement would add \$5,933,000 to the annual cost of Southwestern Bell's operations in Texas. The increased annual cost for South Texas will be \$3,036,000.

Signing of the new agreement came after more than four weeks of negotiations between the company and the union.

The agreement resulted from the second of two wage re-openers provided in the contract which began Nov. 24, 1963.

Wage increases in the new agreement range from \$2 to \$4 per week for the 47,000 Southwestern Bell employees represented by the union. More than 25,000 of these employees are in Texas.

months a year to their problems and wishes.

I will greatly appreciate your vote and influence and I intend to see as many people as possible of this district between now and the first primary on May 7 1966. (Pd. Pol. Adv.)

C'UTDOORS IN TEXAS

By Vern Sanford

If there's one thing that makes the hackles of a trotline fisherman it is for someone to comment that his sport requires no skill.

"No skill" one trotliner snorted at a challenger. "Well, then I'd like to know why one man catches 'cats' consistently while others don't?"

This is a logical question and one that can be answered simply.

It does require skill to catch fish on a trotline, particularly the finicky flathead, more commonly known in Texas as the yellow cat-

fish.

Now, as trotline fishermen will tell you, there are catfish and there are catfish. In one category is the channel cat, the blue cat, and the bullhead cat. In the other, all by its lonesome, is the yellow cat.

CATS HARD TO CATCH

People who know will tell you it takes more know-how, more patience and more understanding of your quarry to take a trophy yellow catfish than it does a jumbo black bass.

Bass fishermen undoubtedly will take issue with that. But let's call

in Bobby Mezger and listen to his views. Bobby has caught his share of both big cats and big bass.

First off, it might be well to explain a little about Bobby Mezger and his background. He lives on the banks of Granite Shoals, a Lyndon B. Johnson Lake in Central Texas. There he runs a fishing camp and a large cattle ranch. He was born and reared on the shore of the Colorado River before the big dam was built to impound waters of Granite Shoals Lake. He's been fishing on or about the lake since he was a boy.

Bobby's hobby is fishing, and he's very good at it. He consistently catches fish—mostly a

and frequently comes in with a huge yellow catfish that goes better than 20 pounds.

"Yes," Mezger said, "it is much more difficult to catch a big yellow cat than it is a big bass."

I asked him how that could be? "Well," he went on, "for one thing, there are more large bass in a lake like Granite Shoals than there are big yellow catfish. For another, big bass are apt to be scattered all over the lake, while the big cats are very restrictive in their movements. A bass might not be hungry for some other reason besides hunger. Maybe he is just mad, but a yellow cat—he's not to be hungry before you'll get

him to take your bait."

MUST KNOW WHERE TO FISH

Mezger's record on big yellow catfish is remarkable. Every year he catches in the vicinity of 20 yellow cats that will weigh better than five pounds apiece. He knows his success up to a point. "Knowing where to fish and staying with it almost every day."

There is more to it, of course. But Bobby considers these the most pertinent points.

He remembers how the log of the land looked before the topography disappeared under the lake. Realizing that yellow cats like gravel and sandy bottoms and holes and rocks to get beneath and spawn, Bobby places

his trotlines in such places, knows where the yellow catfish hang out.

"Yellow cats seem to follow fairly well defined trails along a lake floor," he said. "You can have a trotline out and catch yellow cats on one or two hooks and no others. You'll take the yellow cats every time just on these hooks. You might catch channel catfish anywhere on a line, but not a yellow cat."

YELLOW CATS LIVE BAIT

Bobby pointed out that yellow catfish like fresh, natural bait, something alive is best.

A yellow likes a large sunfish (crutch) or a carp, something that will remain alive and active

CAMERON, TEXAS' HERALD, FEB. 17, 1966 Page 5

on a line. On rare occasions a yellow might be taken on dead bait. But only if it is fresh! Once it gets an odor, a yellow won't have anything to do with it.

"I've put a carp on a hook and left it in the lake for maybe a week before I'd get a yellow to take it," Bobby added. "You can't hurry an old yellow cat. You've got to play the game his way."

Yellow catfish not only have baffled fishermen down through the years, but also have proven to be some sort of a mystery to aquatic biologists.

Texas Parks and Wildlife Commission has been trying to suc-

cessfully raise yellow cats in captivity, but they've enjoyed only moderate success.

First, they had trouble getting the yellow cats to mate in holding ponds. They found you can't simply pick out a pair of yellows, a male and female, and expect them to mate.

A yellow cat must choose his own mate. Once paired up, they are reluctant to use the artificial spawning boxes constructed for them.

Finally, at long last, the biologists did get some offspring, only to learnly discover that they couldn't induce the young to eat.

SINCE 1860

Local Congregation

In State Program

For Development

The Primera Mission Bautista of Cameron has entered the 1966 Texas Baptist Church Development Program, the Pastor R. R. Martinez, announced this week.

Sponsored by the Baptist General Convention of Texas and The Home Mission Board of the Southern Baptist Convention, the plan is to stimulate interest in church work. Participating churches in a recent year received as many baptisms per member as the Southern Baptist Convention average.

Each participating church selects projects relating to the local church, the local community, the world-wide missions. An inventory questionnaire furnishes suggestions for projects such as leadership training, community recreation programs, and world-wide missions.

Pastors recognized for their achievement receive a parchment scroll and churches recognized for their achievement receive a plaque. A Record of Progress book is made under the direction of a special committee and is the basis for judging.

Roy A. Lambert, secretary of General Convention of Texas in charge of the Church Development Program, is responsible for the ministry. He stated that "total enlistment of a church's membership in Christian service is the primary aim and value of the Church Development Program."

Troy, Thrall Share

Rogers BB Honors

Troy outpaced Buckholts 49-29 to win the boys' championship trophy at Rogers Junior High Basketball tournament. Buckholts won the second place trophy. Thrall topped Holland 36-15 for third place and Academy's 20 to 18 win over Thornedale gave them the consolation trophy.

In the girls competition Thrall placed first, Holland second, Buckholts third, and Thornedale won consolation.

Rogers Coach Godwin listed All-Tourney Boys as: David Carlson, Thrall; Brady Bassner, Troy; Larry Goodin, Jr., Holland; Garret Kerner, Troy; Korman Haskler, Buckholts.

All-Tourney Girls: Kim Coufal, Buckholts; Nadine Leschber, Thornedale; Wanda Cooper, Holland; Merion Tuccs, Thrall; Brenda Luman, Rogers; Glenda Pelt, Thrall.

Church Hosts Race

Relations Service

First Mexican Baptist Church observed Race Relations Day Sunday evening Feb. 13. Taking part in the program were: A. B. Halberdier who led in the opening prayer, Joe Michrine, Scout Executive, Rev. R. R. Martinez and a united choir from local Negro churches.

Judge Don Humble brought the evening message, his theme was "Brotherhood" and Rev. Richard Freeman led in the closing prayer. A short fellowship period was enjoyed by the 110 persons attending the service.

Captain Joe C. Willingham, Commanding Officer of Cameron's National Guard Unit, has announced that the Cameron Unit will hold an "Open House", Saturday, February 19, 1966, 1:00 p.m. to 4:00 p.m. in observance of Washington's Birthday. The Units equipment will be on display and the Armory Facilities will be open to the public.

Life Membership Goes To Harbour From Rogers PTA

ROGERS The Parent Teacher Association Monday night honored B. F. Harbour with a life membership in the Texas Congress of Parents and Teachers, a branch of the National Congress of Parents and Teachers.

Harbour was praised for his constructive leadership of the Rogers Public School, his church and community for the past 11 years, and his dedication to the cause of boys and girls.

Wray Durnal spoke for the business community and town; Charles Conner for the Rogers High School

Band; Darwin Schwertner for the local P.T.A.; Johnny Chervinka for the school system; Denada Godwin for the athletic department; Jerry Moore, president of the Student Council, for the student body; Clayton Clowers, secretary of the school board, for the Board; Mrs. Edwin A. Smith Jr. for the church; and Brian Harbour, youngest son, for the family.

Mrs. J. H. Merker, speaking for the Life Membership Committee in the absence of the chairman, Mrs. Anton Nees, introduced the program and presented the life membership certificate button. Harbour was the 11th person in Rogers to receive the honor.

An announcement was made that the March meeting of the Rogers P.T.A. will be March 7 during Public Schools Week. The Executive Committee will meet on March 3. Mrs. Elwood Riley, chairman of the Education for Family Living, presented certificates to fifteen members who qualified during the year.

Mrs. R. O. Tartain, chairman, and her committee served cake and punch.

REGISTERED BULL SOLD

J. R. Ely Jr., Gause, has reported the sale of one registered horned Hereford bull to Seiborn Key, Rockdale.

BEEF FROM DAIRY ANIMALS

Texas A&M University's Animal Science Department has started a pilot project to determine the practical and money-making possibilities of producing beef from dairy bull and steer calves. The project will be completed in April 1966 and results should give researchers information on whether or not such a program can provide dairymen with another significant source of income.

Meat, Poultry Prices Head Upward, A&M Specialist Says

Prices on red meats and poultry have increased a bit this week, says Mrs. Gwen Clyatt, Extension consumer marketing specialist with Texas A&M University.

With continued short supplies and high prices, it becomes more necessary for you to know how to compare costs per servings between cuts, to recognize quality differences and to know best methods for preparing and cooking the more economical cuts.

Best beef choices include ground beef and chuck cuts. Other features vary from market to market.

Large size Grade A eggs represent good food value and are a thrifty protein choice.

Pork products are in short supply, and prices are high. There are few special prices available on fresh pork cuts, however, some markets are featuring semi-boneless hams and occasionally bacon.

Adverse weather conditions throughout the country have reduced some citrus and vegetable supplies. In many cases, the real damage to citrus and other crops has not yet been determined. A comparison of fresh, canned and frozen products may help you find

the best values. Stocks of frozen orange juice concentrate are about 75 per cent larger than a year ago, and prices are lower than those of that period.

Grapefruit is still plentiful. Oranges of several varieties are still on the market at moderate price levels. Apples for cooking and for eating continue to be of good quality as they come out of storage. Avocados are being featured by some stores. Some strawberries and fresh pineapple are available at relatively high prices as is hot house rhubarb.

Best fresh vegetable choices are likely to be carrots, carrots, turnips, rutabagas, yellow onions and sweet potatoes.

Seniors Present Play Friday

The Yoe High Senior play, "The Perfect Idiot", will be held at 8 p.m. Friday, Feb. 18, in Yoe High Auditorium.

The three-act force is being produced by special arrangement with the Dramatic Publishing Co. of Chicago. Admission is 25 cents for children and 50 cents for adults.

In the play cast are Mark Humble, Margaret Kestelma, Eugene Wallace, Bobby Schiller, Lynette Green, Harvie Nachlinger, Danny Eppers, LaWanda Bowley, Nancy Schiller, Nancy Foster, Mike McDonald, Valerie Green, Jerry Heiman, Takahito Kabe and Sharon Lucko.

Invitation To Bid

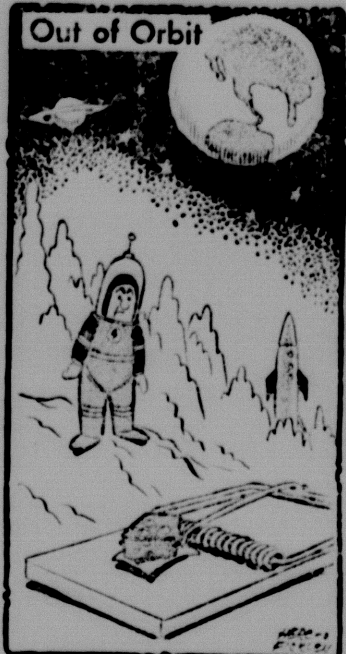

Commissioners' Court of Milam County, Texas, will receive sealed bids at the Courthouse in Cameron, Texas, until Monday, March 14, 1966, at 9:00 A.M., at which time they will be publicly opened and read in the Commissioners' Courtroom for the purchase of the following described equipment:

One 1966 model standard wheel base one-half (1/2) ton pickup truck with custom cab, fresh air heater, with defroster, outside rear view mirror, standard three (3) speed transmission, four (4) ply tires with tubes, bid on V-8 engine with minimum HP of 175 HP and alternate bids on 6 cylinder engine with minimum HP of 150 HP, straight across type back bumper, air cleaner and oil filter.

County to trade 1951 Chevrolet Pickup which can be seen at Milam County Surplus Commodity Distribution Office, Cameron, Texas.

Notice is hereby given that it is the intention of the Commissioners' Court to pay cash for the above machinery by county warrant. Bidders to file F.O.B. Cameron, Texas. The Commissioners' Court reserves the right to reject any or all bids.

Don G. Humble, County Judge
Milam County, Texas

Indianan Draws

2-Year Probation

District Judge W. C. Wallace last week sentenced Thomas Flores of Hammond, Ind., to a two-year probation term on a charge of felony theft.

Flores was charged with auto theft in Rockdale on Dec. 29, 1965.

Cameron HD Club

Meets Wednesday

The Cameron Home Demonstration Club met at the home of Mrs. Jimmy Angell Wednesday morning with 13 members and 3 visitors attending.

Mrs. F. E. Jackson presented the program on first aid.

Lions Reorganize

Loan Program

Cameron Lions Club will reorganize their program to loan wheelchairs and hospital beds to Cameron citizens in need of this equipment, according to E. O. Schiller Jr., program chairman.

Schiller said the local Lions Club had loaned equipment to individuals in the past and through the years had misplaced some of it. "To reorganize the program and make this equipment available to Cameron citizens we need help in locating all the beds and wheelchairs now out on loan," Schiller said.

Anyone knowing the location and condition of wheelchairs or hospital beds belonging to the Cameron Lions Club is asked to contact Schiller.

Jernigan To Speak At CofC Annual Banquet

Alf Jernigan, assistant general manager of the East Texas Chamber of Commerce, Longview, will be the speaker for the Cameron Chamber of Commerce Banquet at Methodist Fellowship Hall March 8.

Jernigan will speak on Chamber - Community Responsibility. Entertainment for the banquet will be provided by the Bartenders of Waco.

A reception for Chamber members and out of town guests will be held preceding the banquet in the Chamber conference room from 6:30 to 6:45 p.m. Mrs. Monroe Fuchs is in charge of the reception.

LaVert McKinney is in charge of ticket sales for the annual banquet.

Cattle Field Day Will Be March 3

By J. D. Moore

The annual beef cattle field day will be held on March 3 at the Texas A&M Livestock and Forage Research Center located southwest of McGregor.

Tours of the cattle pens will start at 9:30 a.m. and will run until noon. Subjects to be discussed beginning at 1 p.m. are: "Feed Cost of a Cow's Annual Production," "Beef Production Potentials of Selective Breeding," "Weaning Weights in Relation to Breeding," and "Texas A&M University's Beef Cattle Research Program."

BULL SALE

Excess research center bred and owned bulls will be offered for sale. All will be gain and fertility tested. All interested stockmen are invited to attend this field day.

GRAIN SORGHUM MEETING

Farmers, seed dealers, fertilizer dealers and others interested in grain sorghum production are reminded of the countywide meeting to be held at 2:00 p.m. Friday, Feb. 18, in the district courtroom in Cameron. A&M specialist will discuss grain sorghum production. CONGRATULATIONS to Mr. and Mrs. Preston Perry of Rockdale on their purchase of the top selling Angus bull at the Ramsey Onion Creek Ranch sale in January. Their purchase was "Ballot

28 of Ramsey" a May, 1964, son of Ballot of Belladrum that topped the sale. The Ramsey Ranch Angus represent some of the best bloodlines of the Angus breed.

Another good Angus bull was purchased recently by Leo Fuchs of Cameron. Mr. Fuchs maintains both registered and grade cattle and sells some of the better calves at the local auction.

Mr. B. L. Franke, also of Cameron, recently added a Red Angus bull to his herd of crossbred big red cows.

SPEAKING OF CALVES, Ben H. Bailey of Cameron reports good weaning weights on his calves. His calves were Hereford and Hereford Santa Gertrudis crosses and averaged 397 pounds. The steer calves were implanted with stilbestrol and all were creep fed.

Due to the favorable weather and pasture conditions last fall and winter along with better cattle and management, a number of good reports have been made on improved weaning weights of Midam County calves.

A&M Releases

Results Of Grain

Sorghum Tests

COLLEGE STATION — Results of grain sorghum performance tests grown at 14 locations in Texas have been released by Texas A&M University.

Medium - late hybrids generally had the highest yields, but in some areas, hybrids of medium maturity performed well, said D. T. Rosenow and T. E. Harlock, agronomists at A&M's South Plains Research and Extension Center, Lubbock.

Grain sorghum production was estimated at an all-time high of over 255 million bushels in 1965—a 32 per cent increase over 1961. A record 52 bushels per acre average in the state was produced.

The grain sorghum test results by land resource areas are:

Coastal Bend areas: tests were grown in Bee and San Patricio Counties. Pioneer 329 and 826 topped the 2 year average, with RS 671 a close third. RS 622, Dekalb C-41b, NK 212, Gold Strike and T-E Grainmaster also performed well.

Upper Gulf Coast: test grown near Angleton. Pioneer 846 had the highest 3-year average. Other hybrids performing near the top were T-E Grainmaster, Pioneer 329, RS671, NK 212 and Rico.

Rio Grande Plain and Southeast Texas Riverbottom: tests were grown at Uvalde and College Station. T-E 77 has the top 3-year average, with RS 671, Bonanza and Pioneer 846 also performing well.

Central and Southern Blackland: tests grown at Thrall, Temple, and McGregor, and San Antonio. Top yielders in this area were NK 222, Horizon 61, RS 671, PAG 515, and Pioneer 846.

North Blacklands: tests grown in Denton and Grayson Counties. HT 44, T-E Grainmaster, RS 627, Pioneer 846, and Frontier 410E were the top yielders.

CAMERON, TEXAS' HERALD, FEB. 17, 1966 Page 1a
SECTION TWO

Production Of Feed

Grains In Nation Set

New Record In 1965

COLLEGE STATION — The production of feed grains in the nation set a new record in 1965. Yields were 13 per cent higher than in 1961 and 11 per cent above the previous record set in 1963, reports John G. McHaney, Extension economist at Texas A&M University.

The record per acre yields increased the supply for 1965-66 by 10 million tons above the previous year but the 217 million tons available, McHaney explains, is 5 million tons below the 1959-63 average.

The disappearance of feed grains is expected to increase during 1965-66 and may reach 157 million tons or 5 to 6 million above the past year and above the 1961-62 record. Lower feed grain prices and generally favorable livestock feed-price ratios, feeding livestock to heavier weights and an 8 to 10 per cent increase in exports were cited by McHaney as major factors in the total disappearance picture.

Despite the bright picture some 5 million tons will be added to the carryover at the end of the marketing year, he said, due to the big 1965 production.

As for sorghum grain, McHaney said Texas produced a lot of the record 655 million bushels, 34 per cent higher than the 1964 crop. This large crop raised the supply to 1,221 million bushels, 7 per cent above last year but slightly below the previous record supply of 1963-64.

McHaney said domestic use of sorghum grain is expected to substantially increase during the 1965-66 year due to the large crop and expected lower prices. Exports should equal the record of 143 million bushels of last year. Total disappearance is expected to increase by 7 per cent to over 600 million bushels, he said. The Oct. 1, 1966, carryover is expected to be about 600 million bushels, up 34 million from a year earlier.

As for sorghum grain prices, McHaney believes they will average lower in relation to corn this year than in 1964-65. The much larger production in 1965, the reduction in the loan rate from \$1.77 to 1.65 per cwt. and the lower CCC sale price are major factors putting downward pressure on prices, he said.

The economist believes corn prices will average lower than CCC sale prices and nearer the 1965 loan rate of \$1.05 per bushel than was the case in 1964-65.

Oat prices are likely to average below those of a year ago for the remainder of the 1965-66 marketing, predicts McHaney. Barley prices, on the other hand, are expected to remain high in relation to corn and other feed grains because of the below average production and reduced carryover.

Dinner, Games Aid Scholarship Fund

ROGERS — Mrs. Woodrow Chervinka, chairman of the Rogers PFA Scholarship Fund Committee, announced that the money-making project for the three college scholarships given to Rogers High School graduates yearly will be held in the school cafeteria Saturday night, Feb. 19.

A ticket-selling campaign will be staged before the event, with Mr. and Mrs. Claude Foster and J. H. Merka in charge. Tickets will be sold by individuals, and in a number of business houses in Rogers and rural stores for \$1 each for the evening of entertainment and games.

Food will be extra, and will be sold starting at 6 p.m. Games will start at 6:30 p.m. Tickets will be sold at the First State Bank, Durnal's Grocery, Sloan's Drive-in, Guess, Leedale Store, Red Ranger, Green's Sausage House, Lucksa's Store at Seaton, Rattibar Store, Val Verdi, and others. Posters will also be placed in various stores in the area.

The Scholarship Committee is composed of Mrs. Chervinka, the Fosters, Mr. Merka; also Mrs. A. J. Leskar who will have charge

of dominoes, and B. F. Harbour.

Students who have received the scholarship in the past are James Martinez, Johnny Kopecky, Regina Schiller, Charlene Tharp, Mary Swainey, Barney Knight, David Wright, Edwin Smeeck, Norbert Gryllart, Lannette Skrabanek, Steve Castillo, Larry Meyer, Paullette Raley, Carl Foster and Jerry Triampeta.

Local Scout In Flag

Ceremony At Waco

Henry Thibodeaux of Cameron, a member of Boy Scout Troop 52, presented an essay on "What the Pledge of Allegiance Means to Me" at the opening of the Waco Association of Life Underwriters annual meeting Friday in Waco.

About 200 life insurance men and women heard the essay and saw the flag ceremony presented by area scouts in conjunction with the observance of Boy Scout Week.

Buckholts Students Panel On Dating At

Elect Class Favorites

Calvin Shenkir was elected Mr. Buckholts High School and Janice James was named Miss Buckholts High School in a recent poll of students and faculty for school favorites.

Shenkir was also elected Best All Around Student and Most Athletic and Patsy Inge, Best All Around Girl and Most Athletic. Chosen as the school's best students were Sandra Gresak and Calvin Shenkir.

Class favorites are: Janice James and Don Glaser, senior; Gail Junk and Larry Shenkir, junior; Janie Brady and Howard Preler, sophomore; Joy Shelton and Terry McNeill, freshmen.

FFA - FHA Meeting

Future Homemakers of America and Future Farmers of America, Rogers High School chapters, heard a panel discussion of dating and courtship at a joint meeting last week. Donna Gauder, president of the FFA, and Clayton Waits, FFA president, were in charge of the meeting.

The panel was composed of Mr. and Mrs. Donald Godwin, Mr. and Mrs. W. C. Evans Jr. and Mr. and Mrs. B. F. Harbour. Discussion centered around such questions as: drive-ins and dating at drive-ins, going steady in high school, qualities to look for in a date, teenage marriage.

TIME AND LABOR SAVER

Cattlemen may save time and money by feeding protein supplement twice a week during the winter rather than daily feeding. Research conducted by animal scientists of Texas A&M University indicate twice weekly feeding is as satisfactory as daily or three weekly feedings. This doesn't mean feeding less protein supplement — just feeding larger amounts less often. Up to 60 per cent savings in time and travel were registered.

During the period of the Texas Republic notes signed by a cow and a calf passed for \$10 bills.

Lamb County in the Texas Panhandle is almost square, measuring 30 miles from east to west and 34 miles from north to south.

LOCKETT 4789

Our objective from the original 4789 cross in 1954 on through the breeding and improvement programs has been to provide growers with a high - yielding, stripper variety with excellent fiber properties. The fiber quality standards we use in making selections in our 4789 breeding program are as follows:

STAPLE LENGTH: 1" to 1-3/32"

MICRONAIRE: 4.0 to 5.0 range

STRENGTH: 85,000 P. S. I. and higher

SEED QUALITY: Tests conducted by the South Plains Research and Extension Center at Lubbock, on Planter Box Surveys, show that farmers can increase their cotton crop income by planting Breeder's first year seed.

TO INSURE DELIVERY, PLACE YOUR ORDER WITH YOUR GINNER OR SEED DEALER — EARLY

Vernon and Ropesville, Texas

*Manufacturer's suggested retail price for Special V6, 4-dr. coupe. Price includes Federal Excise Tax and suggested dealer delivery and handling charge.

Would you believe your car's vehicle identification number might be worth \$2,332.00 in cash to you?
(This odd figure is also the price of a Buick Special*. Pleasant surprise, isn't it?)

HERE'S HOW IT WORKS: Check that car registration of yours. If the first symbols of your vehicle identification number on it match up with one of those listed at the right, you might have won yourself \$2,332 cash. No slogan to invent, no puzzle to solve. To find out for sure if you won, just hop down to your nearest Buick dealer's. He's got a list of complete winning numbers posted. (No, you don't have to own a Buick to have a winning number.) If your complete vehicle identification number appears on his list—you're in the money.

Residents of Kansas, Missouri and Nebraska may, if they prefer, send in a postcard to R. L. Ford, Buick Co., P.O. Box 147, Detroit, Michigan 48216 and receive the weekly list of winning numbers by mail for comparison with their own vehicle identification numbers. An official 40-day term will be included. Sweepstakes limited to persons over 21 living in the continental U.S. Entries must be postmarked before midnight, Thursday, March 31, 1966. Not valid in Florida or states where prohibited by law.

Cameron Symphony March 7....

Cameron will be host to the Central Texas Symphony 8 p.m. March 7, a Monday, at National Guard Armory. This is possibly the first symphonic group, and certainly the first composed of Cen-Tex talent, to appear in Cameron in 40 years, perhaps ever. It will be 50 musicians, including two from Milam County, playing the four-number, hour-long concert. And it will be a balance of "pops" and symphonic to give the listener an enjoyable hour of modern symphonic concert. In a community where good band music is a tradition, this first symphonic concert should be of particular interest

to music-minded Cameron area residents. The efforts of the Yoe High band have developed a following through a generation of band students under Francis Cox' baton. Considerable effort has been invested in this Central Texas cultural effort. Cameron has an opportunity to support the nine-county effort in a way a small community seldom does. We urge the cultural minded citizens of Cameron to make a date for that Cameron concert March 7. This pioneering effort in good music should prove its worth.

MARKING YOUR DEER

A deer hunter often is faced with the job of getting his kill back to camp before nightfall. Usually this occurs when hunting quite some distance from camp. It is much better not to try to lug the kill in after dark. Leave it where it lies. But protect the carcass from being molested by predators by tying your bandana around an antler prong.

Human scent on the hanky will keep away other wild animals.

BAG FOR 22's

Two objections to 22's is the way the box disintegrates in your pocket and the difficulty one has in returning unfired loads to the box. There seem to be twice as many cartridges to put back than you took out.

Eliminate both these nuisances by emptying the entire box of cartridges into a zippered tobacco pouch.

Such a container is pocket-size, spillproof and waterproof.

AVOID BREAKING PINS

To avoid breaking the firing pin, when dry firing your handgun, replace the primers in six empty shells with a tight-fitting piece of leather in primer pockets. This cushions the blow of the firing pin.

First pictorial representation of a wheeled cart dates from 3500 B.C. It was found in a Mesopotamian temple.

Dateline Austin.

Governor Calls Special Session

By Vern Sanford

AUSTIN
They're back at it again! Texas legislators were called back to Austin for a special session Monday by Gov. John Connally. A three-judge federal court's order knocking out the poll tax as a requirement for voting prompted Governor Connally, on advice of Atty. Gen. Waggoner Carr, to call the extraordinary meeting of lawmakers. Purpose is to pass a voter registration law in case Carr's appeal of the lower court's decision to the U. S. Supreme Court is lost.

Texas has no other form of voter registration than machinery for collecting the poll tax, noted the governor. If the Supreme Court agrees that the \$1.75 levy is an unconstitutional infringement on due process, Carr and Connally feared local election officials would find it "virtually impossible to determine who is a qualified voter."

Connally made it clear that if the Supreme Court accepts Texas' appeal and delays final disposition through 1966 elections, only those who paid the poll tax by Jan. 31 will be permitted to vote. Come what may, the Governor thinks those who paid the levy should be considered automatically registered this year.

Federal judges here, while convinced the poll tax is an improper "charge on a very precious constitutional right," disagreed with U.S. Atty. Gen. Nicholas Katzenbach that it has been employed in modern times to deny Negroes the right to vote. All evidence, they concluded, is to the contrary.

As limited as the special session's subject matter is, state lawmakers already are finding room to disagree. Some think voters should be required to register every year to guarantee purity of the ballot box. Others feel the new law should allow re-registration by voting in elections.

A proposed state constitutional amendment to abolish the poll tax which will be voted on next November calls for annual registration.

CAMPAIGNS BEGIN

They're off and running in the May 7 primary elections!

Filing deadline last week found seven contested Democratic races and eight Republican candidates filed. All eight GOP candidates were unopposed.

Democratic primary spotlight is on the attorney general's race between Crawford C. Martin (who resigned as secretary of state) and Sens. Franklin Spears of San Antonio and Galloway Calhoun of Tyler.

P. S. Ervin of Dallas joined the Democratic contest for railroad commissioner which included incumbent Byron Tunnel of Tyler and Rep. Paul Haring of Goliad.

Fred Williams, Del Rio, was a late entry against Democratic Land Commissioner Jerry Sadler.

District Judge John F. Onion of San Antonio is opposing Court of Criminal Appeals Judge W. T. McDonald of Bryan.

Rep. Bill Hollowell of Grand Saline, last man to post his \$1,000 filing fee, is taking on Lt. Gov. Preston Smith, Lubbock, Hollowell's teammate, Stanley C. Woods of Houston, and Mrs. Johnnie Mae Hackworth of Brneham, are opposing Governor Connally.

Agriculture Commissioner John C. White of Wichita Falls, Comptroller Robert S. Calvert of Austin, Treasurer Jesse James of Austin and three incumbent State Supreme Court judges have no Democrat opposition.

Emphasis this year obviously will be on the November general election clash between GOP U.S.

Sen. John Tower, seeking re-election, and the Democratic nominee. Candidates on the Democratic primary ballot are Waggoner Carr and John R. Willoughby of Houston.

Other Republican candidates are T. E. Kennerly, Houston, for governor; Kellis Dibrell, Seguin, for lieutenant governor; Robb Stewart of Dallas for attorney general; Rudy T. Garza, Corpus Christi, comptroller; L. D. Gilmer, Houston, treasurer; Albert B. Fay, Houston, land commissioner; and Jack Garrett, Danbury, agriculture commissioner.

APPOINTMENTS

Governor Connally named T. D. Armstrong of Galveston, Wells Stewart and Ralph S. O'Connor, Houston, to the board of directors of Texas Southern University.

Governor picked as new Texas Animal Health Commissioners R. W. Hodge of Del Rio and Dent Ingram of Carrizo Springs.

He appointed Mrs. Margarette Bortel of San Antonio to State Board of Cosmetology.

EDUCATION STUDIES BEGIN

Two important studies of the public school system have been launched. A spokesman for one predicts teachers will ask another \$500 a year raise at next year's legislative session.

Governor's Committee on Public School Education, directed to make a far-reaching report on school needs, held its first meeting here and selected Glenn H. Ivy, Texas Research League staff member, as its director.

House Interim Committee on Education decided to collect comparative data on what teachers are paid over the nation. Rep. Charles Wilson of Lufkin said he believes teachers will ask another pay raise in 1967. They got one in 1965.

POVERTY PROJECTS

Fifteen more Community Action grants and two VISTA grants under the Economic Opportunity Act have received Governor Connally's approval.

Grants went to agencies in Harris, Hidalgo, Atascosa, Karnes, Wilson, Brooks, Jim Hogg, Zapata, Dallas, El Paso, Kleberg, Maverick, McLennan, Shelby, Starr, Comal, Blanco, Nueces and Webb Counties. They ranged from \$5,752 for Economic Opportunity Development Corporation of Laredo project to \$33,181 for Harris County Economic Opportunity Organization.

MANUFACTURING HIGH

All-time highs in employment, payrolls and value of output were set by Texas manufacturing industries in 1965, and outlook is even brighter for 1966.

So concludes a study of Texas industrial expansion by the University of Texas Bureau of Business Research.

Total Texas manufacturing employment this year is expected to

OLD PHILOSOPHER

J. A. Says Moon Shots Cost Russia 2 Billion; England Picked Them Up Cheaper -- Only \$17.50

Dear editor:

I was walking along the fence between me and a neighbor yesterday afternoon hoping maybe a newspaper had blown up against it when I came upon the neighbor himself putting in some new posts I preferred a newspaper but I went ahead and talked to him, since he saw me before I had a chance to duck out.

"What you doing?" I asked.

"Fixing this fence," I asked.

"That's a good idea."

"I know it. Say, isn't it about your turn to do some fixing?"

"Whatta you mean?"

"This fence helps you too, doesn't it?"

"Sure, but are you taking a stand against the British Empire?"

When I said that he missed a staple and hit his thumb with his hammer and I figured it was no time for a high-level conversation and excused myself and came on back to the house. I learned long ago never to discuss international affairs with a man who has just smashed his thumb.

But what I meant was that in some ways in the conduct of this Johnson grass farm I'm lined up with the British Empire.

For example, take nuclear

bombs. Has England spent billions of dollars making them? Of course not. She knows they work, and with her friend the United States originating the things and spending billions to stockpile them, why should she build a fence, too? Me and England wasn't born yesterday.

Or take the race to the moon. The United States and Russia both are spending billions of dollars to find out what's up there, but England isn't spending a cent and will find out at about the same time. Look what happened when Russia landed a television camera up there last week. England just tuned in and got the pictures out before Russia did.

I estimate the moon pictures cost Russia around 2 billion dollars, and England maybe \$17.50.

I tell you, the British Empire may be shrinking, but there's still some smart Englishmen around.

Unfortunately though there are still people who can't take an international view of a fence, and I guess I'd better get out tomorrow and help my neighbor, if the weather isn't bad.

Yours faithfully,
J. A.

rise by 13 per cent, with biggest increase in electrical machinery production. Estimated value added by manufacture for 1965 is anticipated to be slightly above \$3,500,000,000, a 21 per cent rise over 1963.

A serious problem facing Texas manufacturers, BBR noted, is a shortage of skilled labor (particularly machinists) and engineers for aerospace companies supporting the Manned Spacecraft Center in Houston.

Shortages of engineers, machinists, technicians and managerial talent emphasizes again the "need to provide a superior educational system at the elementary, secondary and college levels," BBR stresses. Many industries, Bureau warns, can move

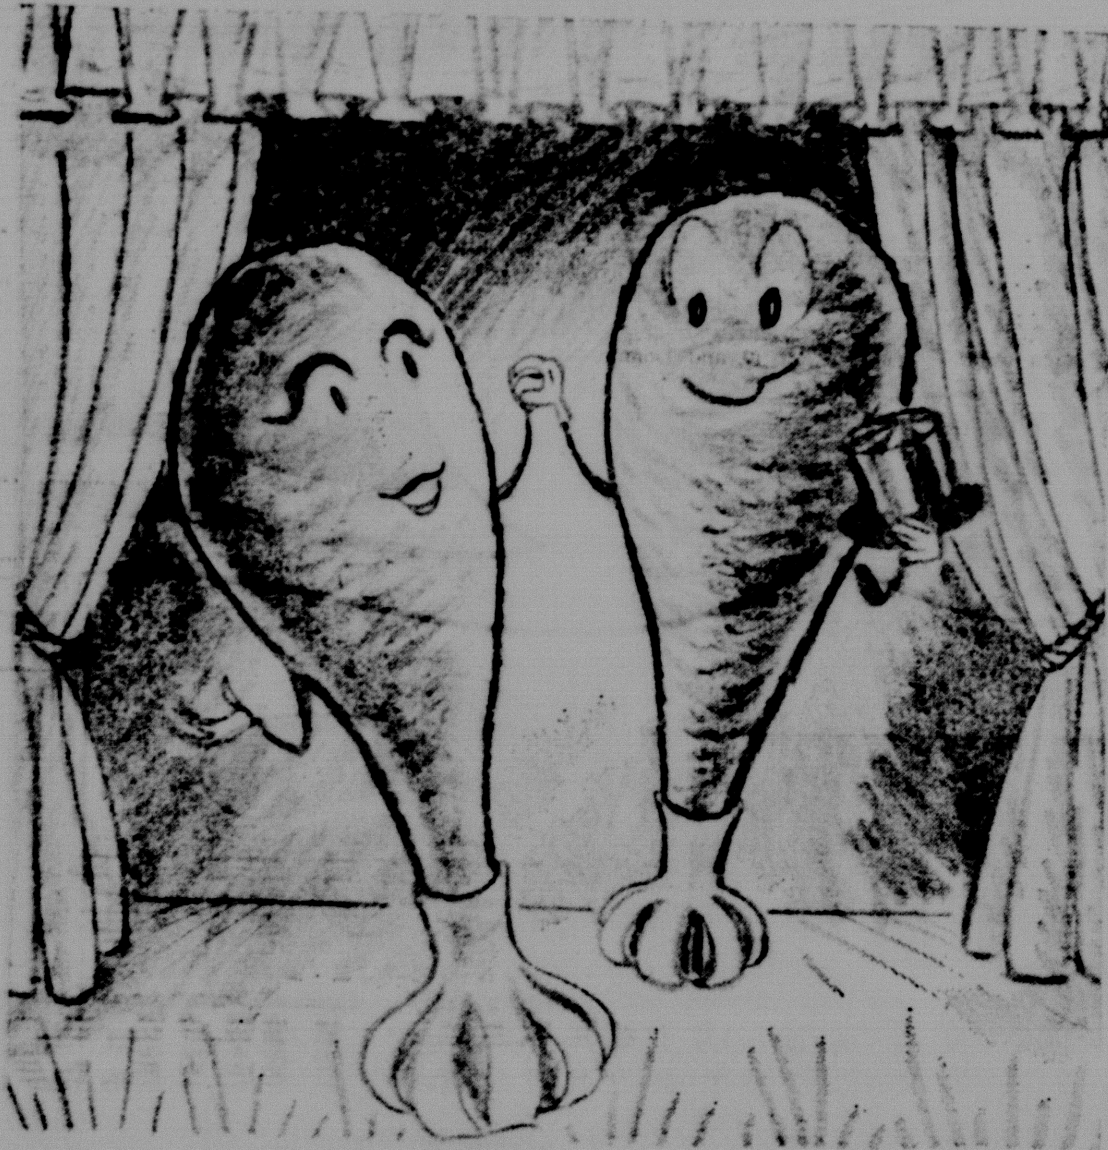

where needed labor is available, and there is less and less work for the uneducated and unskilled.

NEW HIGHWAY MAPS

New 1966 Texas highway maps are off the presses. Initial printing of 800,000 will be the largest in history.

Maps are produced for free distribution by Texas Highway Department's travel and information division.

New map shows 521 more miles of divided highways than appeared on 1965 map and over 22,000 miles of farm-to-market roads, an increase of 7,500 miles over 1965. Also shown are all highways, public lakes, safety rest areas, city routes and mileage between points.

DRUMSTICK DRAMA

The star of this production is a big fat fryer grown plump and delicious. From brooder to buyer, our hero had electricity generated by BRAZOS ELECTRIC POWER COOPERATIVE of Waco and distributed by BELFALLS Electric Cooperative to warm his pen and light his way to proper feeding. When he was ready for his starring role, electric processing machinery and an electric freezer put him in the spotlight. And it took just one kilowatt hour to raise him from candling to cooking. So if you find your fried chicken tender, tasty and economical this year think a kind thought of BRAZOS ELECTRIC POWER COOPERATIVE and BELFALLS Electric Cooperative. They helped raise this chicken to stardom.

BRAZOS ELECTRIC
POWER COOPERATIVE INC., WACO, TEXAS

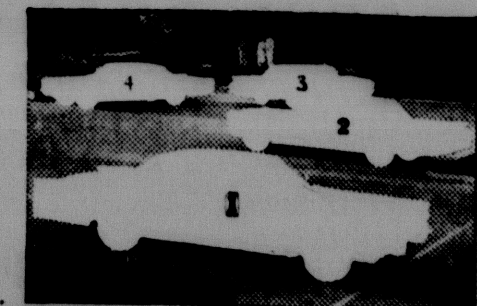

Best sellers. Year after year, more people choose Cadillac than choose

any other luxury car in the world. Shouldn't this alone lead you to

consider the worth of owning a Cadillac—new or used?

The reasons for Cadillac's overwhelming popularity are numerous. Among the most important are its advanced engineering and meticulous craftsmanship. Cadillac's styling and luxury are renowned for dignity and good taste. Its alert performance and handling rival many sports cars. No other motor car in the luxury car field retains its value as long or as well as

Cadillac—a most important consideration at trading time. Finally, your nearby Cadillac dealer is long experienced in caring for Cadillac owners—and in seeing that their every need is attended to. Whatever you plan to spend on your next car, you should investigate the elegance, excellence and excitement of a Cadillac, new or previously-owned.

THE QUEST FOR NEW TRAILS

The history of man is a story of progress. Each of its thousands of volumes could bear one common title: *The Quest for New Trails*.

Even in childhood we display this strange genius which has brought us from primeval forests to this atomic age. We love to penetrate the untouched spaces . . . to open trails where none have ever been.

But this quest could destroy us more rapidly than it has profited us. History recounts the fall of many a civilization too busy with its search for new trails to understand its deeper needs.

For man can truly progress only when his spiritual growth keeps pace with his cultural and scientific advancement.

Or, bluntly, the future of this young Arctic explorer and of his world depends on the Church. The truths of God are unchanging—and ever more essential—as we seek new trails into the Unknown.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

San Gabriel

By Mrs. H. H. Linke
A Valentine Sweetheart Banquet for the young people was held Saturday at 6 p.m. in the Fellowship Room of the San Gabriel Baptist Church. A menu of fried chicken, green beans, potato salad, hot rolls, pickles, pie and tea was served to 24 guests. The speaker for the event was Rev. Larry Gilbert, pastor of the Thorndale Baptist Church.

Kathern and Johnny Ray Lamm of Pasadena were weekend guests of his parents, Mr. and Mrs. Buddy Lamm.

Mrs. Allan Conn is still a patient in the Taylor hospital where she was scheduled for surgery Tuesday.

Mrs. Johnnie McHenry of North Zulch is a house guest of her niece, Mrs. Hugh McMillan, and Mr. McMillan.

Mr. and Mrs. Leslie Hodge, Britt and Clay of Houston were weekend guests of her father, Mr. Allan Conn, and visited her mother in the hospital.

Dorothy and H. D. Kay of Troy visited her mother, Mrs. F. W. Worley, Monday afternoon.

Curtis Beason was an honor student this past semester at Lamar Tech, finishing the fall semester with all A's. He was chosen as assistant-instructor in shop at the college for the spring semester.

Mrs. Felix Heisch, 74, of Holland, aunt of Mr. Ralph Heisch, died Thursday in a Temple hospital. Funeral services for her were conducted from the Baptist church in Bartlett Friday at 2 p.m. Burial was in Holland.

A come-and-go shower was given in the home of Mr. and Mrs. Larry Heine for their twin babies from 2 until 4 p.m. Sunday. Hostesses were Mrs. Buck Garner, Mrs. Donny Heine, Mrs. A. B. Simon, Mrs. Gunn Gifford, Mrs. Paul Mitchell, and Mrs. Walter McDaniel.

Mrs. Verna Jo Malone and Terri of Kilgore spent from Friday until Sunday with her mother, Mrs. Lillian Garner.

Mrs. Pat Fletcher of Dallas was a weekend guest of her parents, Mr. and Mrs. W. W. Terry.

Kelley Brothers Earn

Honor Status At PV

Harmon and Danny Roy Kelley, sons of Mr. and Mrs. Harmon Kelley, 902 N. Orchard St., attained Honor Roll status for the fall semester ending Jan. 14 at Prairie View A&M College.

Harmon, a junior with a major in biology, received a 3.5 average. Danny, a freshman with a major in music, received a 3.7 average.

McCloskey General Hospital at Temple, was named for the first U.S. Army doctor to lose his life in World War II, Major James A. McCloskey, killed on Bataan, March 26, 1942.

BUCKHOLTS NEWS

By Mrs. J. W. Meyer

BUCKHOLTS
Mrs. Ethel Chapman's guests have been Mr. and Mrs. R. C. Hopkins of Midway.

J. V. Petruy has returned home from St. Edward Hospital in Cameron where he has been hospitalized following major surgery. Guests in the Petruy home have been their son-in-law and daughter, Mr. and Mrs. Windle Kelley, and son Kevin of Odessa. Also Mrs. Petruy's brothers, John, Edwin, Jerry and Oscar Slovacek, all of Snook and Mr. and Mrs. Clyde Kelley of Little River.

Mr. and Mrs. Rudolph Krall and son Danny of Houston visited his mother, Mrs. Millie Krall, the past week.

Mr. and Mrs. J. W. Meyer's guest has been her sister, Miss Smithie Ritchie, of Dallas.

Mr. and Mrs. C. R. Criswell visited in Rosenberg where they have been guests of Mr. and Mrs. Raymond Saage.

Guests of Mrs. W. H. Ezzell have been her son, Willie Ezzell, of San Bernardino, Calif., and Mr. and Mrs. Floris Criswell of Cameron.

Guests of Mr. and Mrs. Ragsdale Pace have been their daughter and son-in-law, Ms. and Mrs. L. A. Swanson of Houston.

Boy Scouts Form

Local OA Chapter

The Tejas District, Boy Scouts of America, officially re-organized the Order of the Arrow Chapter here Feb. 6, elected officers and formed plans for an Indian dance team.

Carl Avery, Order of the Arrow advisor from Temple, and Bert Matson, Camp Tahuaya ranger, were guests at the organizational meeting and explained value of OA.

Local chapter officers elected are: Biff Cook of Rockdale Troop 90, chapter chief; Danny Matula of Cameron Troop 52, vice chief; Randy Kirchenwitz of Rockdale Troop 89, secretary; John E. Poval of Cameron Troop 52, treasurer. Felix Matula Jr. will be chapter advisor.

Clarkson

By Mrs. J. A. Blasienz

Mrs. V. D. Dodd had as guests on a recent Sunday Mr. and Mrs. Robert Clark of Fort Worth, Mr. and Mrs. Clarence Dodd and children of Austin, Alvin Dodd and sons of Walkers Creek and Mrs. Belle Tyson of Mayfield.

Mrs. Lula Belle Andrews of Lott has been visiting Mr. and Mrs. Johnny Pitrucha and children John Wayne, Linda and the new granddaughter, Donna Sue.

Mr. and Mrs. Oscar Skala stopped in Waco Thursday.

Mrs. Joe Hawk and her grandsons, Larry and Donnie Hawk, visited relatives in Bryan on Saturday.

Mrs. Frank Ocker and Mrs. L. D. Houft of Rosebud have been visiting Mr. and Mrs. V. W. Hawk and children, Marilyn, Larry, Polly and Donnie.

Mr. and Mrs. Alfred Kohring visited Mr. and Mrs. Finis Voyles and daughter in Sharp on Sunday.

Paul Hawk and Miss Vivian Lenz of Bryan visited his mother, Mrs. Joe Hawk, on Sunday.

Mr. and Mrs. Amos Doskocil Jr. and daughter of Ben Arnold were guests of his parents, Mr. and Mrs. Amos Doskocil, on Monday.

TJC Science Fair

Offers Scholarship

Students from 50 junior and senior high schools, including Cameron, Rogers and Buckholts, have been invited to take part in a Science Fair to be sponsored in Temple March 18-19 by the Central Texas Research Society and Temple Junior College.

Setting for the fair will be the new \$247,500 science building on the Temple Junior College campus in southeast Temple.

A full year scholarship to the college will be given to the grand sweepstakes winner of the Science Fair. Lesser awards will go to winners in each of the festival's six divisions—biology, chemistry, physics, earth sciences, mathematics and the medical sciences.

Jones Prairie

By Mrs. Bill Thweatt

Rev. and Mrs. Don Calloway and H. M. and Lane Yeager were Sunday dinner guests of Mr. and Mrs. E. Yeager of Maysfield.

Mr. and Mrs. Bailey Jones of Rosebud were visitors at Little River Baptist Church Sunday.

The WMS met at Mrs. Harry White's home Thursday afternoon with 8 members present. The hostess served refreshments.

Leila, Rock and Peggy Thweatt visited Billy Thweatt in Rockdale Sunday.

We are sorry Mr. Julian Burnett is still so sick. He is in Newton Hospital.

Mr. and Mrs. Walter Senkel visited Mr. and Mrs. Will Senkel of Cameron Sunday evening.

Leila Thweatt and Hattie Senkel visited Mrs. Julian Burnett Thursday morning.

William Huddle painted most of the portraits of the early Texas presidents and governors seen in the Capitol.

HORSTMANN BROTHERS

THE FAMILY LAWYER

Peeking Into Your Mail

Tipped off by a suspicious mailman, postal agents opened a packet which a woman mailed—first class—to her husband.

Sure enough, the packet contained illicit heroin. But when the woman was brought to trial on a narcotics charge, evidence of the find was thrown out of court and she went free.

The court was not being "soft" on narcotics. What troubled the court was the government's violation of the privacy of first class mail. Such an intrusion was held to be an "unreasonable search and seizure"—forbidden by the Fourth Amendment to the Constitution.

This Amendment grew out of colonial bitterness against the infamous "writs of assistance," under which British officials had free rein in searching private homes.

And, almost a century ago, the Supreme Court made it clear that the Amendment protects not only your residence but your first class mail as well. In the Court's words:

"The right of the people to be secure against unreasonable searches and seizures extends to their papers, thus closed against inspection, wherever they may be."

On the other hand, there is no such protection for mail other than first class. Furthermore, in the interest of combating crime, even first class mail may be searched if authorities first obtain a warrant. Then the search would not be "unreasonable," because the warrant would be issued only if there was reasonable ground to believe the law had been violated.

Moreover, the government may impose what is called a "mail watch" to help in tracking down

wrongdoers. In this procedure, a record is kept of the name and return address of everyone who sends mail to the person under surveillance.

Not long ago the mail watch was challenged in court as at least a partial invasion of the privacy of first class mail. But the court upheld the government, saying:

"It was not prying into their secrets to note what the senders had made public on the face of the letters."

And there, generally speaking, is where the law draws the line today. The government may gather the information you place on the outside of an envelope, but must not peek within. That dab of mucilage on the flap, buttressed by the constitutional commandment, is one of the mightiest barriers on earth.

A public service feature of the American Bar Association and the State Bar of Texas. Written by Will Bernard.

EASY PLUCKING

Ducks are hard to pick clean. So, when plucking your birds, ease the job by using an ordinary rubber stall on your finger. Stall helps in gripping the little feathers and inner down.

They may be purchased at most any drug store.

IRS Answers Tax Questions

(Editor's Note: This column of questions and answers on federal tax matters is sixth in a series and is provided by the U. S. Internal Revenue Service. It is published by The Herald as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.)

Q - What's the difference between a short-term and a long-term capital gain or loss?

A - A capital gain or loss results from the sale or exchange of

a capital asset (stock, personal residence, etc.). If you held the asset six months or less, its sale or exchange results in a short-term gain or loss. If the transaction occurs after you have held the asset for more than six months, a long-term gain or loss is realized. Long-term capital gains are granted preferential tax treatment. A complete discussion of this subject may be found in IRS Document No. 5048, "Sales and Exchange of Assets," free and available by writing to the District Director.

Q - What about political contributions. Are they deductible?

A - No. The law does not permit deductions for contributions to political parties.

Q - The pump at the station where I buy gas shows how much of the cost is for taxes. Can I use this figure when I itemize my deductions?

A - No. Part of this total tax figure is for Federal excise taxes, which are not deductible. Only state and local taxes are deductible.

Look on page 9 of the 1040 instructions for the amount you may deduct for gas taxes in Texas.

Q - If you use a diaper service on the advice of a doctor, can this cost be included with your medical expenses?

A - No. Even though diaper services may have some relationship to medical care, they are not considered deductible medical expenses.

Q - Where do you report alimony income on the return?

A - It should be reported on line 8, part II, page 2 of Form 1040. This is also where other income such as state tax refunds, prizes and the like should be reported.

Q - I'm moving next month and I have a refund coming. Should I put my new address on the return?

A - Yes, use your new address. One of the major reasons for delay in receiving refund is that we do not have the correct address. Put your old address in the space provided on the return, just below the block for name and address.

Q - How do you avoid getting bad tax advice? This happened to a friend of mine last year and it was pretty expensive.

A - Most tax advisors are competent. Local accounting and legal societies will be able to supply you with a list of qualified tax advisors in this area. Also

your Internal Revenue office stands ready to help you.

Q - Can I deduct the Federal tax I pay on my phone bill?

A - No. This is an excise tax and is not deductible.

Q - Who is liable for tax on interest on savings bonds bought for a child?

A - It depends on how the bonds are registered. If the child is listed as co-owner on the bond, the purchaser is liable for tax on the interest. If the child is sole owner with the parent as beneficiary, the child assumes the tax liability.

Q - My friend filed a tax return although his income was under \$600. Does that mean I will have to file even though I earned less than \$600?

A - If you had income tax withheld, a return must be filed to obtain a refund. If you had \$400 or more of net income from self-employment then a tax return must be filed. Use Schedules C and C-3 to report self-employment income and attach them to Form 1040 to do this.

If you have no refund coming and no self-employment income to report, then no return is necessary.

Q - I use my car for business. What can I deduct per mile?

A - Some individuals may deduct 10 cents a mile for the first 15,000 miles of business use and

7 cents a mile thereafter in lieu of actual expenses and depreciation. Check your 1040 instructions to see if you qualify for this deduction.

If you do qualify, a speedometer reading at the beginning and end of each business trip will establish the amount you can deduct. Tolls and parking fees are deductible in addition to the mileage allowance.

Q - How much of the tax I pay on whiskey can I deduct?

A - No deduction is allowed on an individual non-business return for Federal, state or local taxes on alcoholic beverages.

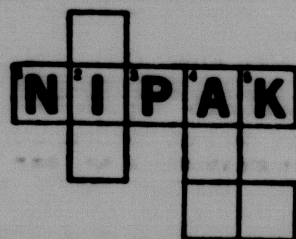

Q - Our two daughters are very busy baby-sitting. Is there any chance they might have to pay tax on this income? They are 14 and 15.

A - Age is not a determining factor. If either of them earned \$600 or more during the year, an income-tax return must be filed, although no tax would be due on up to \$300 of income. If either earned \$400 or more, however, she would be liable for self-employment tax.

Q - I was in an auto accident last year and had to pay part of the cost of having the other fellow's car fixed. Is that deductible?

A - No. The deduction for a casualty loss is allowed only to the person who owns the property.

What's the best 5-letter word for fertilizer?

And for cotton — NIPAK Mixed Fertilizer

To get cotton off to a good fast start, form a sturdy root system and keep plants hardy throughout the growing season, put down NIPAK at pre-plant or at planting time. In one application you supply the necessary nitrogen for quick, healthy establishment and enough phosphorus for the entire growing season. Sidedress later with NIPAK 45 (45% nitrogen fertilizer from Urea that gives one-third more nitrogen per pound than any other form of solid nitrogen fertilizer) and you feed that cotton its most necessary plant nutrient. NIPAK mixed fer-

tilizer in the moisture-proof bags or in bulk can save you time, money and labor. Helps you produce \$6 in cotton for every \$1 invested in NIPAK (Based on Southwest experiment station tests, this is an average return. You may produce higher yields.) NIPAK mixed fertilizer is formulated to contain the amounts of key plant nutrients required by your soil after testing. So for more grow power, ask your local NIPAK dealer about NIPAK fertilizer. He can help you plan a complete fertilizer program because he can provide a complete fertilizer service.

EASTERN SEED COMPANY

Is now your NIPAK Fertilizer Agent. So get your NIPAK Fertilizer From

Burlington

By Mrs. George Logan

BURLINGTON
RFD Carrier and wife Mr. and Mrs. Phil Krause spent last weekend in Hillsboro in the home of Mr. and Mrs. James Bostick and three little daughters, Maurine and the twins, Kathleen and Patricia, where they cared for the three little girls while their parents were away from home. Mrs. Bostick is the former Judy Krause of Burlington.

Mr. and Mrs. Sonny Dornier are remodeling their home in Burlington which is the former home of Mrs. Grover Albert. When finished it will be a nice comfortable home.

William Foshee of Stephenville spent last weekend here in the home of his parents, Mr. and Mrs. Gerald Foshee.

Mrs. Velma Albert and Mrs. Roy Lindsey of Rosebud were in Rogers Sunday for a visit to Mrs. Lola Ray.

Wednesday night Mr. and Mrs. Fritz Stoenner and Mr. and Mrs. Albert Rummel of Burlington visited relatives here.

On Thursday Mr. and Mrs. Adolph Stoenner of Travis were guests of Mr. and Mrs. Fritz Stoenner.

On Monday night Mr. and Mrs. Julius Lange of Wilson visited Mr. and Mrs. Fritz Stoenner. Quite a few Burlington folks attended the celebration of the Golden Wedding Anniversary Sunday of Mr. and Mrs. Joe Pezel at the D. Brown Library.

Victor Fricke died at Dallas on Thursday. The funeral at New Ulm was attended by Mr. Charlie Boehme and others.

Mr. C. Boehme was a guest of Mr. Henry Stroh in Rosebud Friday.

SELF ANALYSIS QUIZ

Are You Considerate Of Your Wife?

By Jane Sherrod Singer

A successful marriage implies mutual consideration and thoughtfulness. Use this as a check list to see if you are letting your marriage go stale through your own thoughtlessness.

- | | YES | NO |
|--|-----|-----|
| 1. Are you usually on time for meals? (Or notify your wife if you will be delayed?) | () | () |
| 2. Do you refrain from making fun of her or saying disparaging things about her to others? | () | () |
| 3. If she is not feeling well, are you especially kind and thoughtful? | () | () |
| 4. Do you take care of your own belongings, clothing, shaving equipment, etc., rather than expecting your wife to pick up for you? | () | () |
| 5. Do you occasionally surprise your wife with some little gift? | () | () |
| 6. Are your manners as good now as they were when you were courting her? | () | () |

ANSWERS: All should be YES.

SCORING: 6 correct answers: You are a jewel of a husband.

If your wife doesn't realize it, show her this quiz.

4 to 5 correct answers: Since you care enough to take this quiz, why don't you take the time to improve on the points you missed?

0 to 3 correct answers: You are not treating your mate like a wife. Who says the days of slavery are over???

(This list of questions is based on a survey made among wives in which they mentioned the things that irritated them most about their husbands.)

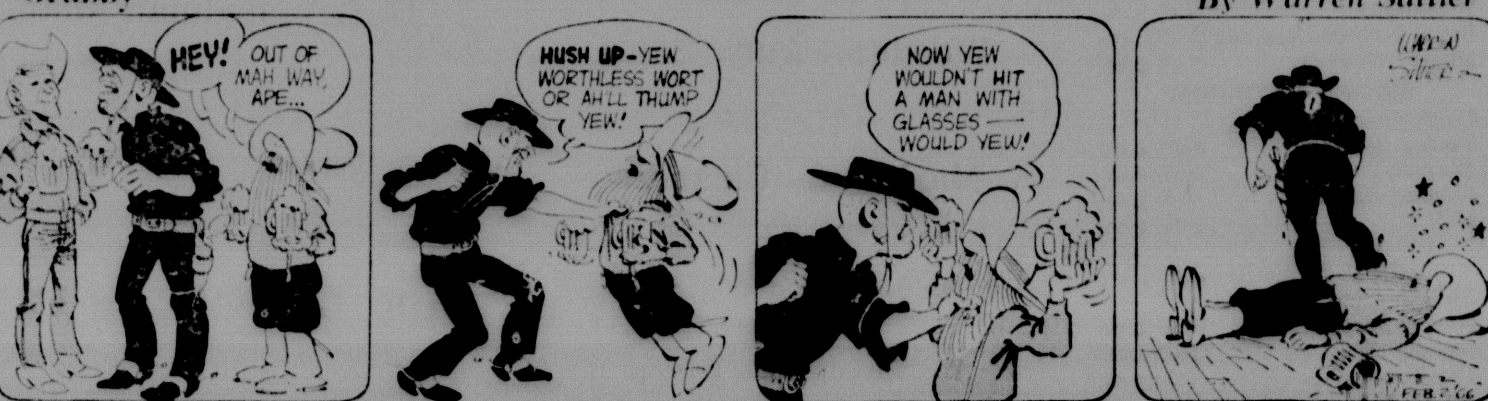

THOSE WERE THE DAYS

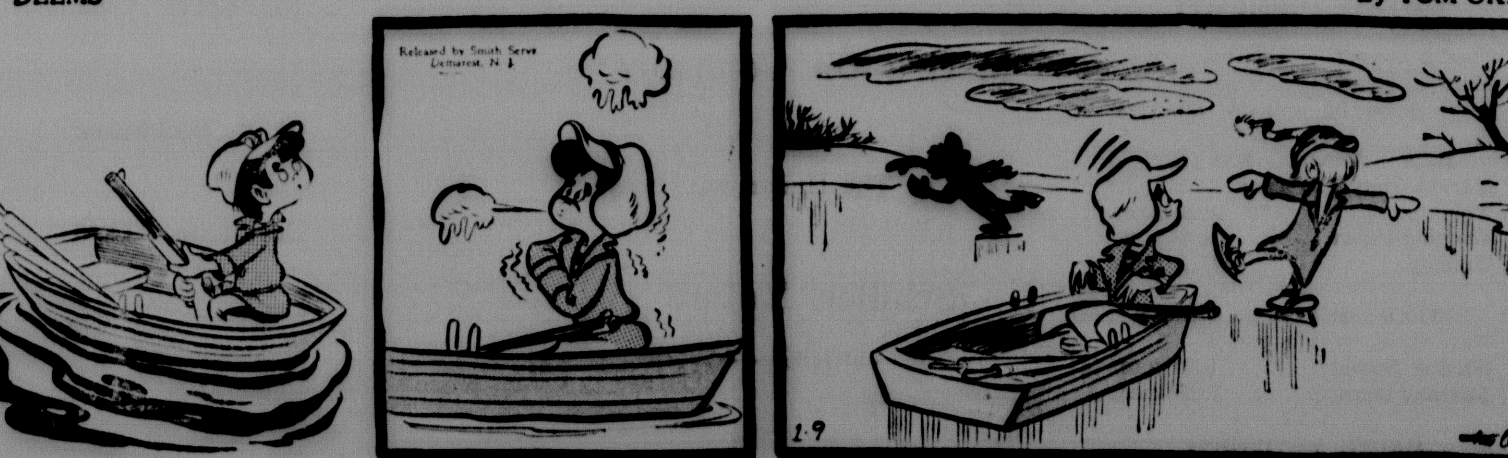

POPS

Grubby

DEEMS

The only thing that looks low-priced on a Pontiac Tempest is its price sticker.

And that's removable.

Take it off, and there's just a pure, unabridged Pontiac: crisp, Wide-Track style and handling. A handsome interior. Plus the effervescent performance of a new, overhead cam 6 engine that puts out with all the spunk of an 8, yet saves like the traditional 6. And of course, being a Pontiac, Tempest allows you the luxury of choice—with options in engines, transmissions, suspensions,

practically everywhere. And like all Pontiacs, Tempest also has a standard safety package with items like seat belts to buckle-front and rear. (That ought to do for now. We'll tell you the rest when you get here.)

Wide-Track Pontiac

LEGAL NOTICE

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: Ruby R. Crawford, Defen-

dant. Greeting:

YOU ARE HEREBY COM-

MANDED to appear before the

Honorable District Court of Mil-

lam County at the Courthouse

thereof, in Cameron, Texas, by

filing a written answer at or be-

fore 10 o'clock A.M. of the first

Monday next after the expiration

of 42 days from the date of

the issuance of this citation, same

being the 28th day of March A.D.

1966, to Plaintiff's Petition filed

in said court, on the 1st day of Fe-

bruary A. D. 1966, in this cause,

numbered 15,592 on the docket of

said court and styled Charles W.

Crawford, Plaintiff, vs. Ruby R.

Crawford, Defendant.

A brief statement of the nature

of this suit is as follows, to-wit:

Divorce on the statutory grounds

of Cruel Treatment, as is more

fully shown by Plaintiff's Petition

on file in this suit.

If this citation is not served

within ninety days after the date

of its issuance, it shall be return-

ed unserved.

The officer executing this writ
shall promptly serve the same
according to requirements of law,
and the mandates hereof, and
make due return as the law di-
rects.

Issued and given under my
hand and the seal of said court
at Cameron, Texas, this the 9th
day of February A.D. 1966.

Attest: Grady Allen, Clerk
District Court
Milam County, Texas

(SEAL)

By Mrs. J. P. Wise

Mr. and Mrs. Jack Walton of
Houston and Mr. and Mrs. Gar-
land Williams of Rockdale visited
their parents, Mr. and Mrs. El-
bert Hollingsworth, last weekend.
Mrs. Somer Hollingsworth of Las
Vegas was a Sunday guest.

Sunday guests of Mrs. John
Thweatt and Wayne were Mr. and
Mrs. A. D. Brown and Mr. and
Mrs. David Brown and sons of
Houston.

Mrs. Doris Gleason of Freeport
and Mr. and Mrs. Tommy Glen-
son and children of Houston visit-
ed their mother and grandmother,
Mrs. Vina White, during the week-

end.
Mrs. Herbert Thweatt and son
Steve and Mrs. Ralph Massengale
visited in West and Dallas during
the weekend.

Mrs. A. L. Massengale visited
Mrs. Aurra Stewart in Temple
several days last week.

Mr. and Mrs. Carroll McIlwain
and son Ned of Austin visited her
parents, Mr. and Mrs. Dock
Thweatt, Sunday. Mr. Elmer
Floyd of Lake Jackson was also
a guest in the Thweatt home.

Sunday dinner guests of Mr. and
Mrs. Ed Yager were Rev. and
Mrs. Callaway, pastor of the Lit-
tle River Baptist Church.

Mr. and Mrs. Elbert Hollings-
worth were in Marlin Friday.
